that any such activities shall be conducted in conformity to the construction plans and all governmental approvals for the Building.

(6) Construction of Improvements. Easements shall exist in favor of Developer over the Condominium Property for ingress and egress, and for such purposes of constructing, equipping, fixturing and furnishing of the Condominium Property, including construction, maintenance, operation and the like of the Condominium Property, its Units, Common Elements and Limited Common Elements. Developer shall also have an easement over, under, across, in and through such property as may be required by the Developer in connection with the completion of any contemplated improvements in the Building and the sale of Units therein, and in the Parking Area. Neither the Unit Owners nor the Association, nor their use of the Condominium Property, shall interfere in any way with the Developer's completion and sale of Units located within the Condominium.

(7) Sales and Management Activities. Until such time as the Developer has conveyed all Units to third parties, the Developer, its designees, successors and assigns, shall have the right to use any such Units and parts of the Common Elements for Units models; sales, management and construction offices; to show model Units and the Common Elements to prospective purchasers and, if applicable, tenants of Units; and to erect on the Condominium Property signs, banners, flags and other promotional material to advertise Units for sale or lease. In addition, until such time as the Developer has conveyed all Units to third parties, Developer shall have the right to permit the Management Firm to utilize an office located within the Building in order to perform the services required of it pursuant to the Management Agreement.

(8) Condominium Plat. All easements described or shown on the Condominium Plat.

(9) Developer Activities. Until such time as Developer completes and sells all of the Units in the Condominium, the Developer reserves the right to prohibit access to any portion of the Common Elements of the Condominium Property, or uncompleted Units, to any of the Occupants of the Condominium and to utilize various portions of the Common Elements or Units in connection with such construction and development. No Unit Owner or such Owner's invitees shall in any way interfere or hamper the Developer, its employees, agents, contractors, successors or assigns, in connection with such construction. Thereafter, during such time as the Developer, its successors or assigns, owns any Unit within the Building and is carrying on any business in connection therewith, including the selling, renting or leasing of such Unit or Units, the Unit Owners and their invitees shall in no way interfere with such activities or prevent access to such Units by Developer, its employees, agents, contractors, successors, or assigns.

(10) Association Easement.

(i) A perpetual, non-exclusive easement is hereby granted to the Association, its successors and assigns over, under, across and through the Condominium Property for the purpose of permitting the Association to perform its obligations hereunder. Such easement shall permit access to Units upon reasonable prior notice (which may be written, telephonic, or any other reasonable notice), except that no notice shall be required for access to a Unit in the event of any emergency. A Unit Owner shall do nothing within or outside his or her Unit that interferes with or impairs, or may interfere with or impair, the provision of Utility, or the use of any of the foregoing easements. The Association shall have the irrevocable right of access to each Unit during reasonable hours, when necessary to maintain, repair, or replace those items and areas for which the Association is responsible, and to remove any improvements interfering with or impairing such facilities or easements herein reserved, pursuant to this Declaration, or as necessary to prevent damage to the Common Elements or to any Unit or Units. Whenever in this Section or elsewhere in this Declaration an easement is granted or reserved to any party, such easement shall also benefit such party's successors, grantees, assigns, agents, employees, licensees, and guests. All easements referred to herein shall be non-exclusive easements.

The Association shall have the right to (i) grant and declare additional easements over, upon, under and/or across the Common Elements in favor of Unit Owners and Occupants, their families, guests and invitees, in favor of any other person, entity, public or quasi-public authority or Utility company, or (ii) modify, relocate, abandon or terminate existing easements within or outside of the Condominium in favor of the Association and/or the Unit Owners and Occupants of the Condominium and their families, guests and invitees, or in favor of any person, entity, public or quasi public authority or Utility company, as the Association may deem desirable for the proper operation and maintenance of the Condominium, or any portion thereof, or for the health, safety or welfare of the Unit Owners, or for any other reason or purpose. So long as such additional easements, or the modification, relocation or abandonment of existing easements, will not unreasonably and adversely interfere with the use of the Units for residential dwelling and other purposes permitted by this Declaration, no joinder of any Unit Owner or any mortgagee of any Unit shall be required, or, if the same would unreasonably and adversely interfere with the use of any Condominium Unit for dwelling or such other purposes, only the joinder of the Unit Owners and Eligible Mortgage Holders of the Units so affected will be required. To the extent required, all Unit Owners hereby irrevocably appoint the Association as their attorney-in-fact for the foregoing purposes.

(ii) The Association may but shall not be obligated to dispense chemicals for the extermination of insects and pests within the Units and Common Elements. In the event the Association chooses to provide such pest control, the Association and its duly authorized contracts, representatives, and agents shall have an easement to enter Units for the purpose of dispensing chemicals for the exterminating of insects and pests within the Units and Common Elements. Owners shall either provide a key to the Unit for purpose of such entry or have someone available at such times as are designed by the Board of Directors to allow entry into the Unit for these purposes. The Association shall not be liable for any illness, damage, or injury caused by the dispensing of these chemicals or performing such maintenance.

(11) General. Easements shall exist over, under, across, in and through the Condominium Property for the purposes of the Developer and Association to carry out their rights and duties, expressed or implied, pursuant to this Declaration and its exhibits, and to facilitate such other actions by appropriate parties as may be reasonably necessary to further the development of the Condominium and the Building.

(12) Easements To Benefit Condominiums. The Submitted Property being submitted to condominium ownership is subject to and benefited by certain ingress, egress, utility, drainage, parking, trash disposal and support easements which have been granted for the benefit of the Condominium, including without limitation the following:

(i) Perpetual, exclusive easements and rights for vehicular and pedestrian access, ingress and egress to and from the Condominium, over, across and through the Parking Area, and to the use of the Condominium trash chutes and Utility shafts, all as depicted on the Graphic Depiction and Condominium Plat attached hereto as Exhibit "B";

(ii) Perpetual, non-exclusive easements for ingress and egress through the exit stairwells contained within the Building;

(iii) Perpetual, non-exclusive easements and rights for vehicular and pedestrian access, ingress and egress to and from the Condominium, in order to access and use the ground dumpsters (as shown on the Graphic Depiction); and

(iv) Perpetual, non-exclusive easements for vehicular and pedestrian access over drive aisles, walkways and sidewalks in the Building that are designed, constructed and intended for common use purposes from time to time.

(13) No Public Rights; Additional Rights. No right shall ever accrue to the public as to the aforesaid easements referred to in the preceding paragraphs except as otherwise noted on the Condominium Plat. Until such time as control of the Association has been turned over to the Unit Owners other than Developer, (i) the foregoing easements shall be subject to such additional easements as the Developer may hereafter deem necessary, and (ii) the Developer shall have the right, in its sole and absolute discretion, to grant such additional easements over, upon, across and under all easement areas which may be within or outside of the Condominium as it deems necessary, and the consent of no other party shall be required. Notwithstanding the foregoing, until such time as control of the Association has been turned over to the Unit Owners other than Developer the Developer may convey or dedicate to public use any easement granted by this Declaration, in Developer's sole and absolute discretion.

(14) Special Rights and Rights to Grant Easements.

(i) Reservation by Developer. Developer hereby reserves unto itself, and its successors and assigns, for the express use and benefit of all portions of the Building, non-exclusive easements over, under and through the Common Elements and Limited Common Elements for the construction, maintenance, use and operation of all Utilities, including the construction, maintenance, use and operation of equipment, conduits, pipes, lines and similar installations servicing the Condominium Property, together with the power to relocate any such existing easements in any portion of the Condominium Property, provided that such easements or the relocation of easements will not prevent or unreasonably interfere with the reasonable use of the Units for residential purposes and other purposes permitted by this Declaration.

(ii) Grants by Developer. Additionally, Developer shall have the right to grant easements over the Condominium Property, specifically including, but not limited to granting non-exclusive easements to vendors and contractors. Developer shall be entitled to retain any and all commissions, fees and compensation from any such vendor or contractor for such easements, and the Association shall have no right of contribution to such commissions, fees, or compensation, subject however to Developer's obligation to pay an equitable share of the Common Expenses attributable to the grant of such easements pursuant to Section 66-27-203(12)(D) and Section 66-27-307(f) of the Condominium Act if and to the extent that such easements constitute "licenses" for the purposes of those sections of the Condominium Act.

(iii) Roof Easements. Furthermore, Developer shall have an exclusive, perpetual and irrevocable right and license for itself, its agents, successors and assigns to use, sell, lease or assign any space on the roof of the Building, for the construction, installation, use, maintenance, repair, replacement, improvement, removal and operation of telecommunication antennae and equipment, and signage for any lawful purpose or purposes. Developer shall have a non-exclusive, perpetual and irrevocable easement over the roof areas to exercise its rights set forth above. Without limitation, this easement shall include the right to construct, install, use, maintain, repair, replace, improve, remove and operate any type of telecommunication antennae and equipment and signage on the roof of the Building. In addition, Developer shall have a non-exclusive, perpetual and irrevocable easement over other portions of the Condominium for access to and from such roof areas and to construct, install, use, maintain, repair, replace, improve, remove and operate any Utility lines servicing such telecommunication equipment or signage. The Developer agrees to indemnify the Association for any damage or destruction caused to the property of Association in the exercise of any easement right or license granted to Developer in this Declaration. The Developer shall collect and retain any and all income received from the exercise of its rights under the provisions of this subsection, subject however to Developer's obligation to pay an equitable share of the Common Expenses attributable to the grant of any such license to use, sell, lease or assign any such space as required by Section 66-27-203(12)(D) and Section 66-27-307(f) of the Condominium Act.

(iv) Utility Service Easements. Developer hereby reserves unto itself and its successors and its assigns, and grants to the Association, with the power to assign, non-exclusive easements over, under, upon and through the Condominium Property for the purposes of access to, constructing or maintaining, improvements upon, providing Utility services to or across, or providing drainage to or from the Condominium Property, any other property which may become part of the Condominium Property pursuant to this Declaration, or any other property adjacent to the Condominium Property.

(v) Other Facility Easements. Developer hereby reserves the right to install all lines, pipes and facilities throughout the Condominium Property as may be needed for the use of the Units individually and/or collectively from time to time. Developer shall assume all costs associated with such installations. Subsequent to installation, unless otherwise provided and agreed to by the affected Unit Owner or Owners, the Association shall be responsible for the maintenance of such lines, pipes and facilities.

(vi) Warranty Obligations. For as long as the Developer remains liable under any warranty, whether statutory, expressed, or implied, for any act or omission in the development of the Condominium, or in the sale or marketing thereof, the Developer shall have the right to enter on the Condominium Property, and to take all actions necessary or convenient for the purpose of inspecting, testing, surveying, to determine the actions needed to fulfill any warranty or to determine the extent of the warranty, and to take those actions necessary to fulfill the Developer's responsibilities under the warranty.

(vii) Right of Assignment. Developer hereby reserves the right to assign all or a portion of its rights hereunder, or all or a portion of such rights in connection with specific portions of the Condominium. In the event of any partial assignment, the assignee shall not be deemed the Developer, but may exercise such rights of the Developer as are specifically assigned to it. Any such assignment may be made on a nonexclusive basis. The rights of Developer under this Declaration are independent of the Developer's rights to control the Board of Directors of the Association, and, accordingly, shall not be deemed waived, transferred or assigned to the Unit Owners, the Board or the Association upon the transfer of control of the Association. Any assignment of Developer rights shall be evidenced by an instrument recorded with the formalities of a deed in the public records of Davidson County, Tennessee.

(viii) Incidental Damage. Any damage to any Unit caused by, or as a result of, the carrying out of the maintenance responsibilities of the Association or another Unit Owner, or the negligence thereof, shall be repaired promptly by the Association as a Common Expense, or the Unit Owner, as the case may be. Any damage to any part of the Common Elements caused by or the result of any intentional act of a Unit Owner, the Unit Owner's family, agents, contractors, invitees, licensees or tenants, or by such Unit Owner in carrying out his maintenance responsibilities, if any, shall be repaired promptly at the expense of such Unit Owner.

(ix) Combination or Division of Multiple Units. A Unit shall not be combined with any laterally or vertically adjacent Unit or Units without the express written consent of the Board; provided, however, Developer and its successors and assigns may combine or divide any lateral or vertical adjacent Unit or Units without the consent of the Board or any Person, Unit Owner or Occupant.

ARTICLE IV

RESTRAINT UPON SEPARATION AND PARTITION
OF COMMON ELEMENTS AND LIMITED COMMON ELEMENTS

The undivided share in the Common Elements, Limited Common Elements and Common Surplus and the exclusive right to use all appurtenant Limited Common Elements, shall not be separated from the Unit and shall pass with the title to the Unit, whether or not separately described. Except as otherwise expressly provided in this Declaration, the appurtenant share in the Common Elements and Common Surplus, and the exclusive right to use all appurtenant Limited Common Elements appurtenant to a Unit, shall remain undivided and cannot be conveyed or encumbered, except together with such Unit. No Unit Owner shall bring, or have any right to bring, any action for partition or division of the Common Elements, Limited Common Elements, or the Condominium Property except as provided in this Declaration with respect to a termination of the Condominium.

ARTICLE V

OWNERSHIP OF COMMON ELEMENTS AND COMMON SURPLUS;
SHARE OF COMMON EXPENSES; VOTING RIGHTS

Section 5.1 Ownership Shares. The undivided share in the Common Elements and the Common Surplus which are appurtenant to each Unit, as well as the undivided share of the Common Expenses to be paid with respect to each Unit, shall be computed on the following basis:

A. Calculation of Interest. The allocation of percentage shares in the Common Elements and Common Surplus, and the percentage share of the Common Expenses, appurtenant to each Unit is set forth in Exhibit "F" as attached hereto and made a part hereof. The allocation of percentage shares has been established by the Developer in the following manner:

- (1) The approximate area of each Unit has been measured in square feet of floor area based upon the interior surface of the walls bounding the Unit (the "Unit Area").
- (2) The total area of all Units has been computed and is hereinafter referred to as the "Total Unit Area."
- (3) The Total Unit Area has been divided into the Unit Area of each Unit to determine the allocation of percentage shares for each Unit as set forth on Exhibit "F" to this Declaration.

If one or more Units is/are added or withdrawn from the Condominium, the calculation set forth in this Section 5.1(A) shall govern the reallocation of each Unit Owner's percentage share in the Common Elements and Common Surplus, and its percentage share of Common Expenses.

Section 5.2 Acceptance. The foregoing methods of calculation were undertaken in order to establish a fair and equitable method of allocating assessment percentages to Units within the Condominium and every purchaser of a Unit, whether from the Developer or otherwise, hereby agrees to be bound by such calculations and hereby irrevocably waives the right to assert that the formula used or the measurements made were unfair, inequitable, or otherwise in error.

Section 5.3 Voting Rights. Each Owner of a Unit shall be a member of the Association and shall be entitled to one (1) vote, which shall be cast by the Owner in accordance with the provisions of the Bylaws and Charter of the Association. The total number of votes shall be equal to the total number of Units in the Condominium. Membership in the Association shall automatically terminate upon the termination of ownership of a Condominium Unit, and the subsequent Unit Owner taking title shall automatically be entitled to such membership.

Section 5.4 Common Expense and Common Surplus. The Common Expenses of the Condominium shall be determined and shared by the Unit Owners, as specified and set forth in this Declaration and applicable

exhibits hereto, except as may otherwise be provided by applicable Tennessee law. The percentage interest in Common Expenses and Assessments is set forth in Section 5.1 above. Any Common Surplus of the Association shall be owned by each of the Unit Owners in the same proportion as their ownership interest in the Common Elements.

ARTICLE VI

METHOD OF AMENDMENT OF DECLARATION

Section 6.1 Amendment to Condominium Documents and Condominium Plat by Developer. The Developer reserves the right to make whatever changes it may deem necessary in the Condominium Documents and/or the Condominium Plat so that they more completely and accurately indicate graphically the Units, Common Elements and Limited Common Elements of the Condominium as they exist in fact. Any such amendment reflecting any such changes need only be executed by the Developer; provided, however, that no such amendment approved by the Developer shall make any material changes or amendments to the Condominium Documents, unless Unit Owners who represent at least sixty-seven percent (67%) of the total votes in the Association, joined by Eligible Mortgage Holders representing at least fifty-one percent (51%) of the votes of Units that are subject to mortgages held by Eligible Mortgage Holders, shall consent to the change or amendment. For purposes of the foregoing sentence, and without limiting the generality of the foregoing, a change in the provisions of this Declaration, or the other Condominium Documents, relating to the following matters (collectively, the "Material Changes") shall be considered material:

- A. Any change in the configuration or size of a Unit;
- B. Any material alteration or modification of the appurtenances to a Unit;
- C. Any change in the proportion or percentages by which a Unit Owner shares the Common Expenses of the Condominium and owns the common surplus of the Condominium.

Notwithstanding the foregoing, however, the acquisition of property by the Association and material alterations or substantial additions to such property or the Common Elements by the Association and amendments providing for the transfer of use rights in limited common elements shall not be deemed to constitute a material alteration or modification of the appurtenances to the Units. Further, the Developer hereby reserves the right to alter the boundaries between Units as long as the Developer owns the Units so altered; provided, however, no such change shall materially alter the boundaries of the Common Elements, nor change the proportion by which the Owners of Units share the Common Expenses or own the Common Surplus, and provided further that any Eligible Mortgage Holder of such altered Units must consent to the alteration. If the Developer shall make such changes in a Unit or Units permitted in this Section, such changes shall be reflected by an amendment to this Declaration, any other necessary Condominium Documents and the Condominium Plat, with any amended drawing attached, reflecting such authorized alteration of the Unit or Units, and such amendment shall be executed and acknowledged by Developer and any Eligible Mortgage Holder holding a first mortgage encumbering such altered Unit or Units.

Section 6.2 Amendment By Unit Owners. Except as otherwise provided in Section 6.1 herein or elsewhere in the Condominium Documents, or as otherwise granted to the Developer by the Condominium Act, this Declaration may be amended only with the approval of Unit Owners who represent at least sixty-seven percent (67%) of the total votes in the Association, together with the approval (or deemed approval) of Eligible Mortgage Holders representing at least fifty-one percent (51%) of the votes of Units that are subject to mortgages held by Eligible Mortgage Holders, at a meeting duly called for such purpose pursuant to the Bylaws; provided, however, that (1) until such time as Developer no longer holds any Units for sale in the ordinary course of Developer's business, no amendment to this Declaration shall be made which affects any of the rights and privileges provided to the Developer as defined herein without the written consent of such Developer, (2) no amendment may change the configuration or size of a Unit without the written consent of the affected Unit Owner or Owners, together with the approval (or deemed approval) of the Eligible Mortgage Holder of such Unit, and (3) for a period of ten (10) years following the date of this Declaration, Section 20.11(B) of this Declaration may not be amended without the written consent of Contractor (defined in Section 20.11(B) below). All amendments made under authority of this Section 6.2 shall be executed by the President or the Secretary of the Association, which officer shall also certify that such amendment has been approved (or deemed approved) by the requisite number of Unit Owners and Eligible Mortgage Holders (it being

acknowledged that all approving Unit Owners and Eligible Mortgage Holders are not required to sign such amendment). Any such amendment shall be recorded in the Register's Office for Davidson County, Tennessee. Notwithstanding the provisions of this Article VI, the Declaration and the exhibits hereto, where applicable, may be amended by Developer without the consent of the Unit Owners or Eligible Mortgage Holders in order to correct scrivener's errors.

Section 6.3 Special Amendment. Anything herein to the contrary notwithstanding, Developer reserves the right and power to record a special amendment ("Special Amendment") to this Declaration, at any time and from time to time, which amends the Declaration and any provision therein (i) to comply with requirements of the Federal National Mortgage Association, the Government National Mortgage Association, the Federal Home Loan Mortgage Corporation, the Department of Housing and Urban Development, the Federal Housing Administration, the Veteran's Administration, or any other governmental agency or any other public, quasi-public or private entity which performs (or may in the future perform) functions similar to those currently performed by such entities; (ii) to induce any of such agencies or entities to make, purchase, sell insure, guarantee or otherwise deal with first mortgages covering Units; and (iii) to bring this Declaration into compliance with applicable Laws, and, in furtherance of the foregoing, a power coupled with an interest is hereby reserved and granted to the Developer to make or consent to a Special Amendment on behalf of each Unit Owner and the Association. Each deed, mortgage, trust deed, other evidence of obligation, or other instrument affecting a Unit and the acceptance thereof shall be deemed to be a grant and acknowledgement of, and a consent to the reservation of, the power of the Developer to make, execute and record Special Amendments. Notwithstanding the foregoing, however, the right and power of the Developer to make Special Amendments hereunder shall terminate on the date of turnover of control of the Association to the Unit Owners other than the Developer or the expiration date of the Developer Control Period, whichever shall first occur.

Section 6.4 Limitation. No amendment may be adopted which will eliminate, modify, prejudice, abridge or otherwise adversely affect any rights, benefits of privileges or priorities granted or reserved to the Developer without the consent of Developer in each instance. The provisions of this paragraph may not be amended in any manner.

Section 6.5 Procedure. No provision of this Declaration shall be revised or amended by reference to its title or number only. Proposals to amend existing provisions of the Declaration shall contain the full text of the provision to be amended, new words shall be inserted in the text underlined, and words to be deleted shall be lined through with hyphens. However, if the proposed changes are so extensive that this procedure would hinder, rather than assist, the understanding of the proposed amendment, it is not necessary to use underlines or hyphens of words edited or deleted, but, rather, a notation must be inserted immediately preceding the proposed amendment and substantially in the following language: "Substantial rewording of Declaration. See Provision ___ for proposed text." Non-material errors or omissions in the amendment process shall not invalidate an otherwise properly promulgated amendment.

ARTICLE VII

ASSOCIATION

The Association shall be the entity responsible for the operation of the Condominium. The Association shall be organized in Tennessee as a not-for-profit corporation and shall fulfill its functions pursuant to the Condominium Act in general and also the following provisions:

Section 7.1 Powers. The Association shall have all of the common law and statutory powers of a not-for-profit corporation, all of the powers and duties set forth in the Condominium Act, this Declaration, the Charter and the Bylaws, and all of the powers and duties necessary to operate the Condominium, whether or not set forth in this Declaration, the Charter or the Bylaws, as they may be amended from time to time. Such powers shall include, but not be limited to, the power to make and collect Assessments, to lease, license, maintain, repair and replace the Common Elements, and to borrow money and incur indebtedness, subject to the provisions of the Charter and Bylaws. Unless otherwise provided by statute, the Condominium Documents or the Condominium Act, the power and duties of the Association shall be exercised by its Board of Directors, which shall consist of not less than three (3) members who are to be elected according to the Charter and Bylaws.

Section 7.2 Membership. The members of the Association shall consist of all of the record owners of Units in the Condominium, including the Developer, and their voting rights shall be as provided in Article V hereinabove and in the Charter and Bylaws. Change of membership in the Association and designation of voting members shall be as provided in the Charter and Bylaws. Developer shall have control over the Association during the Developer Control Period.

Section 7.3 Management By Board of Directors. The affairs of the Association shall be managed by the Board of Directors in the number and designated in the manner provided in the Charter and Bylaws. During the Developer Control Period, Developer shall appoint or remove the Directors and may limit the Board to one Director, which may be Developer; provided, however, that not later than one hundred twenty (120) days after conveyance of twenty five percent (25%) of the Units to Unit Owners other than Developer, at least one member of the Board of Directors shall be elected by Unit Owners other than Developer.

Section 7.4 Shares Nontransferable. The share of a member in the funds and assets of the Association cannot be assigned, hypothecated or transferred in any manner, except as an appurtenance to his Unit.

Section 7.5 Binding Effect. Every Owner of a Unit, whether he has acquired his ownership by gift, conveyance or transfer by operation of law, or otherwise, shall be bound by the Charter and Bylaws, the provisions of this Declaration, and all other Condominium Documents. Membership in the Association shall automatically terminate upon the termination of ownership of a Unit in this Condominium, and the subsequent owner(s) taking title shall automatically become entitled to membership.

Section 7.6 Conflict Rules. In the event of conflict among the powers and duties of the Association or the terms and provisions of this Declaration or the exhibits attached hereto, this Declaration shall take precedence over the Charter, Bylaws and applicable rules and regulations; the Charter shall take precedence over the Bylaws and applicable rules and regulations; and the Bylaws shall take precedence over applicable rules and regulations, as amended from time to time. Notwithstanding anything in this Declaration or the exhibits hereto to the contrary, the Association shall at all times be the entity having ultimate authority over the Condominium, consistent with the Condominium Act.

Section 7.7 Non-Liability. Notwithstanding the duty of the Association to maintain and repair parts of the Condominium Property, the Association shall not be liable to Unit Owners for injury or damage, other than for the cost of maintenance and repair, caused by any latent condition of the Condominium Property. Further, the Association shall not be liable for any such injury or damage caused by defects in design or workmanship or any other reason connected with any additions, alterations or improvements done by or on behalf of any Unit Owners, regardless of whether or not same shall have been approved by the Association pursuant to the provisions hereof.

Section 7.8 Other Provisions Relating to the Association.

A. Notwithstanding anything contained herein or in the Charter, Bylaws, any rules or regulations of the association or any other document governing or binding the Association (collectively, the "Association Documents"), the Association shall not be liable or responsible for, or in any manner be a guarantor or insurer of, the health, safety or welfare of any owner, Occupant or user of any portion of the Condominium Property, including, without limitation, residents and their families, guests, invitees, agents, servants, contractors or subcontractors or for any property of any such persons.

B. It is the express intent of the Association Documents that the various provisions thereof which are enforceable by the Association and which govern or regulate the uses of the condominium property have been written, and are to be interpreted and enforced, for the sole purpose of enhancing and maintaining the enjoyment of the Condominium Property and the value thereof.

C. Any provisions of the Association Documents setting forth the uses of assessments which relate to health, safety and/or welfare shall be interpreted and applied only as limitations on the uses of assessment funds and not as creating a duty of the Association to protect or further the health, safety or welfare of any person(s), even if assessment funds are chosen to be used for any such reason.

ARTICLE VIII

BYLAWS

The operation of the Condominium Property shall be governed by the Bylaws. No modification of or amendment to the Bylaws shall be valid unless set forth in or annexed to a duly recorded amendment to this Declaration. The Bylaws may be amended in the manner provided for therein, but no amendment of such Bylaws shall be adopted which would affect or impair the validity or priority of any deed of trust covering any Condominium Parcel(s), or which would change the provisions of the Bylaws with respect to Eligible Mortgage Holders without the written approval of all Eligible Mortgage Holders. No amendment shall change the rights and privileges of Developer and Management Firm without their respective written consent. Any amendment to the Bylaws, as provided herein, shall be approved by the Unit Owners and Eligible Mortgage Holders as required in this Article and in Article VI above, shall be certified by the President or Secretary of the Association, and shall be recorded in the Register's Office for Davidson County, Tennessee.

ARTICLE IX

ASSESSMENTS AND OTHER CHARGES

Section 9.1 Power to Fix and Determine Assessments.

A. In General. The Board of Directors shall fix and determine from time to time the sum or sums necessary and adequate to provide for the Common Expenses and such other sums as are specifically provided for in this Declaration and exhibits attached hereto. The procedure for the determination of all such Assessments shall be as set forth in more detail in the Bylaws. Unless otherwise provided in the resolution levying the Assessment, such Assessment shall be paid in monthly installments with each due on the first of the month. Assessments shall begin upon the conveyance of the first Unit from Developer to a Unit Owner. The Association shall include in the Common Expenses such amounts as are sufficient to satisfy its obligations pursuant to this Declaration, including but not limited to, the following:

- (1) maintenance, repair, replacement, management and operation of the Common Elements;
- (2) property taxes and assessments against the Condominium Property (until such time as any of such taxes and assessments are made against the Units and their undivided share of the Common Elements and Limited Common Elements individually, and thereafter only as to such taxes and assessments, if any, as may be assessed against the Condominium Property as a whole);
- (3) insurance premiums for insurance procured by the Association (provided that, in accordance with § 66-27-414(c)(3) of the Condominium Act, the cost of insurance may be assessed in proportion to risk as determined by the Board);
- (4) legal and accounting fees and expenses of the Association;
- (5) management fees, costs and expenses and operating expenses of the Condominium Property and Association;
- (6) repairs, replacements, and maintenance expenses (but only as to the Common Elements and Limited Common Elements, except for emergency repairs or replacements to individual Units deemed necessary by the Association to protect the Common Elements and Limited Common Elements);
- (7) charges for all Utilities used in common for the benefit of the Condominium (or not separately metered to each Unit) and any bulk-metered or bulk-calculated Utility services rendered to the Condominium Property or the Units for their benefit, including cleaning and

janitorial services for the Common Elements and Limited Common Elements (provided that, in accordance with § 66-27-414(c)(3) of the Condominium Act, the cost of Utilities must be assessed in proportion to usage as determined by the Board);

(8) fiber optic, data, voice or other communication system, and all other services maintained by the Association for the use and benefit of the Unit Owners;

(10) reasonable contingency and/or reserve funds for the protection of the Members and the Condominium Property;

(11) all other expenses declared by the Board of Directors of the Association to be Common Expenses from time to time, and any and all other sums due from the Association under any agreement, lease, contract or undertaking affecting all or any portion of the Common Elements or Limited Common Elements.

B. Budget for General Assessments. The Board of Directors shall from time to time, and at least annually, prepare and adopt a budget for the Condominium ("Budget for Common Expenses"), determine the amount payable by the Unit Owners to meet the Common Expenses of the Condominium, and allocate and assess such Expenses among the Unit Owners in accordance with the provisions of this Declaration and the Bylaws ("General Assessment").

(1) The Board of Directors shall advise all Unit Owners promptly in writing of the amount of the General Assessment payable by each of them as determined by the Board of Directors as aforesaid. The Budget for Common Expenses shall include the reserves required by law or determined appropriate by the Board, the costs of carrying out the powers and duties of the Association and any other expenses designated as Common Expenses by the Condominium Act, this Declaration, the Charter, the Bylaws or applicable rules and regulations of the Association. Incidental income to the Association, if any, may be used to pay regular or extraordinary Association expenses and liabilities, to fund reserve accounts, or otherwise as the Board shall determine from time to time, and need not be restricted or accumulated.

C. Budget Amendments. Any adopted Budget for Common Expenses shall be subject to change by the Board of Directors, and the amount of the General Assessment shall be changed in accordance with such revised Budget for Common Expenses to cover actual expenses at any time.

D. Special Meetings for General Assessment Increases. If the Board of Directors adopts in any fiscal year of the Association a Budget for Common Expenses which requires General Assessments against Unit Owners which exceed one hundred fifteen percent (115%) of General Assessments for the preceding fiscal year, the Board of Directors shall conduct a special meeting of the Unit Owners to consider a substitute budget, if the Board of Directors receives, within twenty-one (21) days after adoption of the Budget for Common Expenses, a written request for a special meeting from Unit Owners who represent at least fifty percent (50%) of the total votes in the Association. The special meeting shall be conducted within sixty (60) days after adoption of the Budget for Common Expenses. At least fourteen (14) days prior to such special meeting, the Board of Directors shall hand deliver to each Unit Owner, or mail to each Unit Owner at the address last furnished to the Association, a notice of the meeting. An officer or manager of the Association, or other person providing notice of such meeting, shall execute an affidavit evidencing compliance with this notice requirement, and such affidavit shall be filed among the official records of the Association. Unit Owners may consider and adopt a substitute budget at the special meeting. A substitute budget is adopted if approved by a majority of all voting interests of the Association. If there is not a quorum at the special meeting or a substitute budget is not adopted, the Budget for Common Expenses previously adopted by the Board of Directors shall take effect as scheduled. Any determination of whether General Assessments exceed one hundred fifteen percent (115%) of General Assessments for the prior fiscal year

shall exclude any authorized provision for reasonable reserves for repair or replacement of the Condominium Property, anticipated expenses of the Association which the Board of Directors does not expect to be incurred on a regular or annual basis, or Assessments for betterments to the condominium property.

E. Other Assessments. In addition to General Assessments, the Board of Directors may levy “Special Assessments,” “Capital Improvement Assessments” and “Limited Common Element Assessments” upon the following terms and conditions:

(1) “Special Assessments” shall mean or refer to amounts levied against each Owner and such Owner’s Unit, representing a portion of the costs incurred by the Association for specific purposes of a nonrecurring nature which are not in the nature of capital improvements.

(2) “Capital Improvement Assessments” shall mean and refer to amounts levied against each Owner and such Owner’s Unit, representing a portion of the costs incurred by the Association for the acquisition, installation, construction or replacement (as distinguished from maintenance and repairs) of any capital improvements located or to be located within the Common Elements.

(3) Special Assessments and Capital Improvement Assessments may be levied by the Board of Directors and shall be payable in lump sums or installments, in the discretion of the Board.

(4) “Limited Common Element Assessments” shall mean and refer to amounts levied against the Owners of Units for the maintenance, repair, replacement and/or reconstruction of the Limited Common Elements that are appurtenant to such Units.

(5) Unit Owners, by virtue of their taking title to their Unit, agree to the foregoing and acknowledge that they have a contractual obligation and agreement with each other as to the payment of General Assessments, Special Assessments, Capital Improvement Assessments and Limited Common Element Assessments which may be enforced in any court of competent jurisdiction.

(6) Notwithstanding anything herein to the contrary, the Developer during such time as Developer controls the Association as provided in Article I of the Bylaws or the Developer appointed Board shall be authorized to reduce the amount of annual assessments owed by Unit Owners without the vote of Owners to reflect cost savings not anticipated at the time the initial estimated operating budget for the Association was compiled.

F. Personal Liability. Each Unit Owner shall be personally liable to pay the Assessments levied with respect to each Unit owned by such Unit Owner. Additionally, the Association shall have a lien on each Condominium Parcel to secure payment of the respective Assessments, together with interest thereon, costs, reasonable attorneys’ fees incurred by the Association incident to the collection of such Assessments or the enforcement of such lien, and such additional amounts as may be provided by the Condominium Act or other applicable Tennessee law. The Board of Directors may take such action as it deems necessary to collect Assessments or other amounts due by personal action or by enforcing and foreclosing such lien, and may settle and compromise the same if deemed in its best interests. No Owner of a Unit may exempt himself from liability for Unit Owner’s contribution toward the Common Expenses by abandonment of the Unit or by refusal or waiver of the use and enjoyment of any of the Common Elements or services for which the fee or cost constitutes a part of the Common Expenses.

G. Default in Payment of Assessments.

(1) Assessments and installments thereof not paid within ten (10) days from the date when they are due shall bear interest at the rate established from time to time by the Board of Directors from the due date until paid (provided, however, that no such rate shall exceed the maximum allowed by law). In the event the Board has not established such rate, the interest rate

shall be 18% per annum or the highest rate permissible under applicable Tennessee law, whichever is less. Each delinquent payment also shall be subject to an administrative late fee in an amount established by the Board from time to time, not to exceed the highest fee permitted by the Condominium Act. If any payment is made by a check that is dishonored by the Unit Owner's bank, all bank charges and collection costs incurred by the Association in connection with such dishonored check shall be due and payable to the Association, and shall be equally secured by the lien described in this subsection below.

(2) The Association has a lien on each Condominium Parcel for any unpaid Assessments on such Condominium Parcel, with interest thereon and for reasonable attorneys' fees and costs incurred by the Association incident to the collection of the Assessment or enforcement of the lien. The lien shall be effective on the earliest date allowed by law. The lien shall secure all unpaid Assessments, interest thereon, the administrative late fee (if permitted under applicable law), and costs and attorneys' fees which are due and which may accrue prior to the entry of a final judgment of foreclosure thereof.

(3) The Association or its assignee may bring an action to foreclose a lien for unpaid Assessments in the manner a mortgage or deed of trust with power of sale on real property is foreclosed in Tennessee and may also bring an action at law to recover a money judgment for the unpaid Assessments and other amounts due without waiving any claim of lien. In furtherance thereof, and in order to secure payment of each Unit Owner's payment obligations pursuant to this Declaration, including without limitation, its obligation to pay Assessments to the Association and to pay any other sums payable by such Unit Owner (all such obligations being hereinafter referred to as the "Payment Obligations"), each Unit Owner, its successors and assigns, hereby transfers and conveys his/her/its Unit and all appurtenances thereto in trust to Kelly L. Worman, a resident of Davidson County, Tennessee ("Trustee"), as trustee with power of sale, for the benefit of the Association. If any Unit Owner fails or refuses to pay any Payment Obligations which are due and owing by such Unit Owner to the Association, such Unit Owner's Unit may be sold by Trustee to the highest bidder at public auction in front of the courthouse door of Davidson County, Tennessee, either in person or by auctioneer, after having first given notice of the time, place and terms of sale, together with a description of the property to be sold, by publication once a week for three (3) successive weeks prior to said sale in some newspaper of general circulation published in Davidson County, Tennessee (the first such publication to be at least twenty (20) days prior to the date of the sale) and, upon payment of the purchase money, Trustee or any person conducting the sale for Trustee is authorized to execute to the purchaser at said sale a deed to the Unit purchased at such foreclosure sale. The foreclosure sale may be adjourned from time to time by Trustee or his designee, at the place of sale on the date the sale is originally set, or on the date of any adjournment thereof, and may be reset at a later date or dates, by announcement without any additional publication. Trustee shall be under no duty to take any action hereunder except as expressly required hereunder or by law, or to perform any act which would involve Trustee in any expense or liability or to institute or defend any suit in respect hereof, unless properly indemnified to Trustee's reasonable satisfaction. Trustee may resign at any time upon giving thirty (30) days' notice to the Association. The Association may remove Trustee at any time or from time to time and select a successor trustee. Trustee shall have the right to rely on any instrument, document, or signature authorizing or supporting an action taken or proposed to be taken by Trustee hereunder, believed by Trustee in good faith to be genuine. Trustee shall be entitled to reimbursement for actual expenses incurred by Trustee in the performance of Trustee's duties hereunder and to reasonable compensation for such of Trustee's services hereunder as shall be rendered. The Association is entitled to recover its costs and reasonable attorneys' fees incurred in either a lien foreclosure action or an action to recover a money judgment for unpaid Assessments.

(4) As an additional right and remedy of the Association, upon default in the payment of Assessments as aforesaid and after thirty (30) days' prior written notice to the applicable Unit Owner, the Association may declare the balance of General Assessment installments due for the remainder of the fiscal year and payments of other known Assessments to be accelerated and shall thereupon be immediately due and payable. In the event that the amount of such accelerated

installments or payments changes, the Unit Owner or the Association, as appropriate, shall be obligated to pay or reimburse to the other the amount of increase or decrease within ten (10) days of the same taking effect.

(5) Any payments received by the Association from a delinquent Unit Owner shall be applied first to any interest accrued as provided above, then to any administrative late fee, then to any costs and reasonable attorneys' fees incurred in collection as aforesaid and then to the delinquent and any accelerated Assessments. The foregoing application of funds received shall be applicable despite any restrictive endorsement, designation or instruction placed on or accompanying a payment.

(6) The Association shall give written notice to the Unit Owner of its intention to foreclose its lien to collect the unpaid Assessments at least thirty (30) days before institution of any foreclosure action with respect to such lien. The notice must be given by delivery of a copy of it to the Unit Owner or by certified or registered mail, return receipt requested, addressed to the Unit Owner at the last known address, and upon such mailing, the notice shall be deemed to have been given. If after diligent search and inquiry the Association cannot find the Unit Owner or a mailing address at which the Unit Owner will receive the notice, the Association may proceed with the foreclosure action and may recover attorneys' fees and costs as permitted by law.

(7) The Association shall be entitled to bid at any sale held pursuant to a suit to foreclose a lien, and to apply as a cash credit against its bid all sums due, as provided herein, covered by the lien enforced. In case of such foreclosure, the Unit Owner may be required to pay a reasonable rental for the Unit or the period of time such Unit is occupied by the Unit Owner, or anyone by, through or under such Unit Owner, and the Association may request the appointment of a receiver to collect same from the Unit Owner and/or Occupant.

(8) If the Unit Owner remains in possession of the Unit after a foreclosure judgment has been entered, the court in its discretion may require the Unit Owner to pay a reasonable rental for the Unit. If the Unit is rented or leased while the foreclosure action is pending, the Association is entitled to the appointment of a receiver to collect the rent, the expenses of such receiver to be paid by the party that does not prevail in the foreclosure action.

(9) In the event the holder of a first deed of trust encumbering a Unit or other purchaser at foreclosure sale conducted incident to the foreclosure of a first deed of trust, shall obtain title to a Unit by foreclosure, or by deed in lieu of foreclosure, such first mortgagee or purchaser, its or their successors and assigns, shall be liable for Assessments or other related expenses authorized under the Condominium Act secured by the Association's lien only to the extent provided by the Condominium Act. If, due to the applicable provisions of the Condominium Act, any unpaid share of the Assessments or other related expenses authorized under the Condominium Act are not required to be paid, then such unpaid share or other related expenses authorized under the Condominium Act shall be deemed to be a Common Expense collectible from all of the Unit Owners, including such acquirer and such acquirer's successors and assigns. Any person who acquires an interest in a Unit, except through foreclosure of a first mortgage of record, or by virtue of a deed given in lieu of foreclosure, as specifically provided hereinabove, including without limitation persons acquiring title by operation of law, including purchasers at judicial sales, shall be obligated for all unpaid Assessments and other amounts due from the former Unit Owners. The Association, acting through its Board of Directors, shall continue to have lien rights as referenced in this Article.

(10) Within fifteen (15) days after request by a Unit Owner or Eligible Mortgage Holder of a Unit, the Association shall provide a certificate stating all Assessments and other monies owed to the Association by the Unit Owner with respect to such Owner's Unit. Any person other than the Unit Owner who relies upon such certificate shall be protected thereby.

H. Capital Reserves. The Association shall maintain a reserve fund to be used solely for making capital expenditures in connection with the Common Elements (the "Capital Reserve"). The Board shall determine the appropriate level of the Capital Reserve based on a periodic review of the useful life of the improvements to the Common Elements and equipment owned by the Association as well as periodic projections of the cost of anticipated major repairs or improvements to the Common Elements or the purchase of equipment to be used by the Association in connection with its duties hereunder. Each budget shall disclose that percentage of the annual Assessment that shall be added to the Capital Reserve, and each Unit Owner shall be deemed to make a capital contribution to the Association equal to such percentage multiplied by each installment of the annual Assessment paid by such Unit Owner. Such reserves may be waived or reduced on an annual basis as determined by the Board. Extraordinary expenditures not originally included in the annual estimate that may become necessary during the year shall be charged first against such portions of any contingency reserve or Capital Reserve, as applicable, which remains unallocated. If the "estimated cash requirement" proves inadequate for any reason or in the event a non-recurring Common Expense is anticipated for any year, then the Board may prepare and approve a supplemental budget covering the estimated deficiency or non-recurring expense for the remainder of such year, copies of which supplemental budget shall be furnished to each Unit Owner, and thereupon a separate Assessment shall be made to each Unit Owner for his proportionate share of such supplemental budget. All Unit Owners shall be personally liable for and obligated to pay their respective adjusted monthly amount.

I. Working Capital Funds. At the time the initial sale of each Unit is closed, the purchaser of each Unit shall have a one-time obligation to pay to the Association an amount equal to two (2) times the first full monthly Assessment for such Unit. This sum shall be used and applied for start-up costs and as a working capital fund in connection with all initial operating expenses for the Common Elements. This payment shall not be refundable or applied as a credit against the Unit Owner's monthly Assessments, and shall not be used by the Developer to resolve any budget deficits during the time the Developer is in control of the Association.

ARTICLE X

PROVISIONS RELATING TO THE SALE OR RENTAL OF UNITS

Section 10.1 Leasing. In order to preserve the character of the Units as predominantly owner-occupied, and to comply with the eligibility requirements for financing in the secondary mortgage market, leasing of Units shall be governed by the restrictions imposed by this Paragraph. Except as provided herein, the leasing of Units shall be prohibited. "Leasing," for the purposes of this Declaration, is defined as regular, exclusive occupancy of a Unit by any Person other than the Owner. For purposes hereof, occupancy by a roommate of an Owner who occupies the Unit as such Owner's primary residence shall not constitute "leasing" hereunder.

A. Leasing of Units.

(1) General. Owners desiring to lease their Units may do so only if they have applied for and received from the Board of Directors either a "Leasing Permit" or a "Hardship Leasing Permit." Such a permit, upon its issuance, will allow an Owner to lease his or her Unit provided that such leasing is in strict accordance with the terms of the permit and this Paragraph. The Board of Directors shall have the authority to establish conditions as to the duration and use of such permits consistent with this Paragraph. All Leasing Permits and Hardship Leasing Permits shall be valid only as to a specific Owner of a Unit and shall not be transferable between either Units or Owners of Units, but shall be transferable to successors in title to the same Unit.

(2) Leasing Permits. The request of a Person who has entered into a binding purchase and sale agreement for a Unit or of an Owner for a Leasing Permit for a Unit shall be approved if current, outstanding Leasing Permits have not been issued for more than twenty-one (21) Units of the total number of Units in the Condominium. A Leasing Permit shall be automatically revoked upon the happening of any of the following events: (A) the sale or transfer of the Unit to a third party (excluding the sale to a Person who applied for a Leasing Permit in accordance with the above, and sales or transfers to (1) an Owner's spouse, (2) a person cohabitating with the Owner, and (3) a

corporation, partnership, company, or legal entity in which the Owner is a principal); (B) if the Leasing Permit was granted to a Person who was not an Owner but had entered into a binding purchase and sale agreement for a Unit, the termination of such agreement for any reason or the failure to close the purchase of the Unit within sixty (60) days of the date that the Leasing Permit was issued; (C) the failure of an Owner of a Unit to lease his or her Unit within one hundred twenty (120) days of the initial purchase from Developer of a Unit and the issuance of a Leasing Permit or the failure of an Owner of a Unit to lease his or her Unit within ninety (90) days of a resale of the Unit if a Leasing Permit has been issued; or (D) the failure of an Owner of a Unit to have his or her Unit leased for any consecutive ninety (90) day period thereafter. If current Leasing Permits have been issued for twenty-one (21) Units (excluding Units owned by Developer), no additional Leasing Permits shall be issued (except for Hardship Leasing Permits) until the number of outstanding current Leasing Permits falls below twenty-one (21) (excluding Units owned by Developer). An Owner of a Unit who has been denied a Leasing Permit shall automatically be placed on a waiting list for a Leasing Permit and shall be issued the same if they so desire when the number of current outstanding Leasing Permits issued falls to less than twenty-one (21) (excluding Units owned by Developer). The issuance of a Hardship Leasing Permit to an Owner of a Unit shall not cause the Owner of a Unit to be removed from the waiting list for a Leasing Permit.

(3) Hardship Leasing Permits. If the failure to lease will result in a hardship, the Owner of a Unit may seek to lease his or her Unit on a hardship basis by applying to the Board of Directors for a Hardship Leasing Permit. The Board of Directors shall have the authority to issue or deny requests for Hardship Leasing Permits in its discretion after considering the following factors: (A) the nature, degree, and likely duration of the hardship, (B) the harm, if any, which will result to the Condominium if the permit is approved, (C) the number of Hardship Leasing Permits which have been issued to other Owners of Units, (D) the ability of the Owner of a Unit to cure the hardship, and (E) whether previous Hardship Leasing Permits have been issued to the Owner of a Unit. A “hardship” as described herein shall include, but not be limited to the following situations: (1) an Owner of a Unit must relocate his or her residence outside the Nashville metropolitan area and cannot, within six (6) months from the date that the Unit was placed on the market, sell the Unit except at a price below the current appraised market value, after having made reasonable efforts to do so; and (2) where the Owner of a Unit dies and the Unit is being administered by his or her estate. Hardship Leasing Permits shall be valid for a term not to exceed one (1) year following the commencement date of the term of the lease. Owners of Units may apply for additional Hardship Leasing Permits. Hardship Leasing Permits shall be automatically revoked if during the term of the permit, the Owner of a Unit is approved for and receives a Leasing Permit.

(4) Leasing Provisions. Leasing of a Unit that is authorized, pursuant to permit, hereunder shall be governed by the following provisions:

(i) Notice. At least seven (7) days prior to entering into the lease of a Unit, the Owner shall provide the Board with a copy of the proposed lease agreement. The Board shall approve or disapprove the form of said lease for compliance with the Declaration. In the event a lease is disapproved, the Board shall notify the Owner of the requisite action to be taken in order to bring the lease in compliance with the Declaration and any rules and regulations adopted pursuant thereto.

(ii) General. Units may be leased only in their entirety; no fraction or portion may be leased without prior written Board approval. All leases shall be in writing and in a form approved by the Board prior to the effective date of the lease. The Board may maintain and, upon request, provide a form that is deemed acceptable. There shall be no subleasing of Units or assignment of leases without prior written Board approval. All leases must be for an initial term of not less than one (1) year, except with written Board approval, which shall not be unreasonably withheld in cases of undue hardship. Under no circumstance is a lease of less than thirty (30) days permitted. Within ten (10) days after executing a lease agreement for the lease of a Unit, the Owner shall provide the Board with a copy of the lease and the name of the lessee and all other people occupying the Unit. The Owner must

provide the lessee copies of the Declaration, Bylaws, and the rules and regulations. Nothing herein shall be construed as giving the Association the right to approve or disapprove a proposed lessee; the Board's approval or disapproval shall be limited to the form of the proposed lease.

(iii) If a purchaser of a Unit has obtained approval from Developer to assign its purchase contract, and if the purchaser has been issued a Leasing Permit, the Leasing Permit shall be deemed assigned with the assignment of the purchase contract.

(iv) If a Unit is owned by a legal entity, such entity shall designate an individual to receive all notices issued by the Developer or the Board as they relate to the Unit and the Condominium.

(5) Liability for Assessments, Use of Common Elements, and Compliance with Declaration, Bylaws, and Rules and Regulations. Each Owner covenants and agrees that any lease of a Unit shall contain the following language and agrees that if such language is not expressly contained therein, then such language shall be deemed incorporated into the lease by existence of this covenant, and the lessee, by occupancy of the Unit, agrees to the applicability of this covenant and incorporation of the following language into the lease:

(i) Compliance with Declaration, Bylaws, and Rules and Regulations. The lessee shall comply with all provisions of the Declaration, Bylaws, and rules and regulations adopted pursuant thereto and shall control the conduct of all other Occupants and guests of the leased Unit in order to ensure such compliance. The Owner shall cause all Occupants of his or her Unit to comply with the Declaration, Bylaws, and the rules and regulations adopted pursuant thereto, and shall be responsible for all violations by such Occupants, notwithstanding the fact that such Occupants of the Unit are fully liable and may be sanctioned for any such violation. If the lessee, or a person living with the lessee, violates the Declaration, Bylaws, or a rule or regulation for which a fine is imposed, notice of the violation shall be given to the Owner and the lessee, and such fine may be assessed against the lessee in accordance with Article V of the Bylaws. If the fine is not paid by the lessee within the time period set by the Board, the Owner shall pay the fine upon notice from the Association of the lessee's failure to pay the fine. Unpaid fines shall constitute a lien against the Unit.

Any violation of the Declaration, Bylaws, or rules and regulations adopted pursuant thereto by the lessee, any Occupant, or any guest of lessee, is deemed to be a default under the terms of the lease and authorizes the Owner to terminate the lease without liability and to evict the lessee in accordance with Tennessee law. The Owner hereby delegates and assigns to the Association, acting through the Board, the power and authority of enforcement against the lessee for breaches resulting from the violation of the Declaration, Bylaws, and the rules and regulations adopted pursuant thereto, including the power and authority to evict the lessee as attorney-in-fact on behalf and for the benefit of the Owner, in accordance with the terms hereof. If the Association proceeds to evict the lessee, any costs, including reasonable attorney's fees actually incurred and court costs, associated with the eviction shall be an assessment and lien against the Unit.

(ii) Use of Common Elements. The Owner transfers and assigns to the lessee, for the term of the lease, any and all rights and privileges that the Owner has to use the Common Elements, including but not limited to, the use of any and all recreational facilities and other amenities.

(iii) Liability for Assessments. When a Residential Owner who is leasing his or her Unit fails to pay any annual or special assessment or any other charge for a period of more than thirty (30) days after it is due and payable, then the delinquent Owner hereby consents to the assignment of any rent received from the lessee during the period of

delinquency, and, upon request by the Board, lessee shall pay to the Association all unpaid annual and special assessments and other charges payable during and prior to the term of the lease and any other period of occupancy by lessee. However, lessee need not make such payments to the Association in excess of, or prior to the due dates for, monthly rental payments unpaid at the time of the Board's request. All such payments made by lessee shall reduce, by the same amount, lessee's obligation to make monthly rental payments to lessor. If lessee fails to comply with the Board's request to pay assessments or other charges, lessee shall pay to the Association all amounts authorized under the Declaration as if lessee were an Owner. The above provision shall not be construed to release the Owner from any obligation, including the obligation for assessments, for which he or she would otherwise be responsible.

(6) Applicability of this Paragraph. Notwithstanding the above, this Paragraph 10.1 shall not apply to any leasing transaction entered into by Developer (regardless of whether said lease is entered into prior to or after the expiration of the Developer Control Period), the Association, or the holder of any first Mortgage on a Unit who becomes the Owner of a Unit through foreclosure or any other means pursuant to the satisfaction of the indebtedness secured by such Mortgage. Such parties shall be permitted to lease a Unit without first obtaining a permit in accordance with this Paragraph 10.1, and such Units shall not be considered as being leased in determining the maximum number of Units that may be leased in accordance with this Paragraph 10.1. Under no circumstances is a lease of less than thirty (30) days permitted.

Section 10.2 Re-Sale of Units.

A. Notices of Impending Transfer. An Owner intending to make a transfer or sale of a Unit or any interest in a Unit shall give written notice to the Board of Directors of such intention within seven (7) days after execution of the transfer or sales documents. The Owner shall furnish to the Board as part of the notice (i) the name and address of the intended grantee; and (ii) such other information as the Board may reasonably require. This Paragraph shall not be construed to create a right of first refusal in the Association or in any third party.

B. Notice of Completed Transfer. Within seven (7) days after receiving title to a Unit, the purchaser of the Unit shall give written notice to the Board of Directors of his or her ownership of the Unit. Upon failure of an Owner to give the required notice within the seven (7) day time period provided herein, the Board may levy fines against the Unit and the Owner thereof, and assess the Owner for all costs incurred by the Association in determining his or her identity.

ARTICLE XI

INSURANCE, RESTORATION OF IMPROVEMENTS AND EMINENT DOMAIN

Section 11.1 Insurance. The insurance (other than title insurance) that shall be carried upon the Condominium Property and the property of the Unit Owners shall be governed by the following provisions:

A. Authority to Procure Insurance. The Board of Directors shall have the authority to and shall obtain insurance for the Property as follows:

(1) Insurance on the Property, including the Units, Common Elements, and Limited Common Elements, all items under the terms of this Declaration for which the Association is responsible for the maintenance thereof, and all items for which the Association is required under applicable provisions of the Condominium Act to insure, against loss or damage by fire and against loss or damage by risks now or hereafter embraced by a "Special Form" property insurance policy, subject to commercially reasonable exclusions and in an amount sufficient to prevent the insured from being a co-insurer within the terms of the applicable policies, but in any event in an amount not less than one hundred percent (100%) of the full replacement value of the Building which shall include all Units and the fixtures initially installed by Developer, but shall not include any

improvements or additions (including wall coverings and fixtures) made by or on behalf of any Owner other than those made by Developer and shall exclude furnishings and other personal property within a Unit. The “full replacement value” shall be determined from time to time by the Board, which determination may be based upon appropriate insurance appraisals. The cost of all such appraisals shall be deemed a Common Expense;

(2) To the extent applicable, if any, insurance on the Property (excluding excavations, foundations and footings) against all loss or damage from explosion of heating apparatus, pressure vessels and pressure pipes, if any, installed in, on or about such Property, without co-insurance clause so long as available, in such amount as the Board shall deem desirable;

(3) Commercial General Liability insurance against claims for personal injury or death or property damage suffered by the public or by any passageways and other areas adjoining the Property, such public liability and property damage insurance to afford protection to such limits as the Board shall deem desirable (but in no event for less than Three Million Dollars (\$3,000,000.00) with respect to liability for personal injury or property damage arising out of a single accident), and such insurance coverage to include Unit Owners as additional insureds, but only with respect to that portion of the Property not reserved for the exclusive use of a single Unit Owner;

(4) Such workers’ compensation insurance as may be necessary to comply with applicable Laws;

(5) Employer’s liability insurance in such amount as the Board shall deem desirable;

(6) Adequate insurance or fidelity bonding of all persons who control or disburse funds of the Association. The insurance policy or fidelity bond must cover the maximum funds that will be in the custody of the Association or its management agent at any one time. As used in this paragraph, the term “persons who control or disburse funds of the Association” includes, but is not limited to, those individuals authorized to sign checks and the president, secretary, and treasurer of the Association. The Association shall bear the cost of the insurance or fidelity bonding, which shall be a Common Expense;

(7) The casualty and liability insurance, hazard and flood insurance, and fidelity bond coverage required to be maintained by the Association shall meet the requirements specified in Part B7, Insurance of the Selling Guide, Part II; Mortgage and Property Insurance of the Servicing Guide, and related announcements, all as published from time to time by the Federal National Mortgage Association;

(8) Such other insurance (including insurance with respect to officers’ and directors’ liability) as may be required by law or deemed necessary by the Board, in such reasonable amounts as the Board shall deem desirable;

The premiums for the above-described insurance, and the cost arising from deductibles under any such policies in the event of a loss, except as otherwise provided in this Article, shall be a part of the Common Expenses;

(9) The Board of Directors shall make available for review by Owners a copy of the Association’s insurance policy to allow Owners to assess their personal insurance needs and each Owner shall have the obligation to obtain any additional coverage at his or her own expense; and

(10) It shall be the duty of the Board of Directors at least every two (2) years to conduct an insurance review to determine if the policy in force is adequate to meet the needs of the Association and to satisfy the requirements of this Paragraph. Such responsibility may be performed, and shall be deemed reasonably performed, by the Board requesting the Association’s

insurance agent to verify that insurance policies in existence meet the needs of the Association and satisfy the requirements of this Paragraph.

B. Insurers. All insurance provided for in this Article shall be maintained under valid and enforceable policies, and procured from companies that are rated by Best's Rating Guide as not less than "A-/X," and which are licensed and authorized to do business in the State of Tennessee.

C. Named Insureds. All policies of insurance of the character described in Section 11.1(A): (a) shall name, as insured, the Developer, so long as it has an insurable interest, and the Association individually and as trustee of the Unit Owners without naming them and their respective mortgagees, and shall also name as an insured the Insurance Trustee, described in Paragraph 11.1(F), as the respective interests of all such insureds may appear; (b) shall be without contribution as respects other such policies of insurance carried individually by the Unit Owners whether such other insurance covers their respective Units and/or the additions and improvements made by such Unit Owners to their respective Units; (c) shall provide that notwithstanding any provision thereof which gives the insurer an election to restore damage in lieu of making a cash settlement thereof, such option shall not be exercisable in the event the Unit Owners elect to sell the Submitted Property or terminate the Condominium; and (d) shall contain an endorsement to the effect that such policy shall not be terminated for nonpayment of premiums without at least thirty (30) days prior written notice to the Association and the mortgagee of each Unit. Policies of insurance of the character described in Paragraph 11.1(A) may contain an endorsement extending coverage so as to include the payment of Common Expenses with respect to damaged Units during the period of reconstruction thereof. Notwithstanding the issuance of standard mortgage clause endorsements under the policies of insurance of the character described in Paragraphs (1) and (2) of Section 11.1(A), any losses under such policies shall be payable, and all insurance proceeds recovered thereunder shall be applied and disbursed, in accordance with the provisions of this Declaration.

D. Other Named Insureds. All policies of insurance of the character described in Section 11.1(A) shall name as insureds the Association, the Board, the Management Firm, and the other agents and employees of such Association, Board and Management Firm and the Developer in its capacity as a Unit Owner and Board member, and shall also provide coverage for each Unit Owner (but as to the insurance described in Section 11.1(A), only with respect to those portions of the Property not reserved for his or her exclusive use). In addition, all policies of insurance of the character described in Section 11.1(A) shall contain an endorsement or clause whereby the insurer waives any right to be subrogated to any claim against the Association, its officers, members of the Board, the Developer, the Management Firm, their respective employees and agents, the Unit Owners and Occupants, and Contractor (defined in Section 20.11(B) below). Further, all policies of insurance described in Section 11.1(A)(1) shall contain an agreed value endorsement and an inflation guard endorsement.

E. Payment of Premiums. The Association, for the benefit of the Unit Owners and the mortgagee of each Unit, shall pay the premiums on the policies of insurance described in Section 11.1(A) not later than the expiration dates of the respective policies.

F. Loss Payable. The loss, if any, under any policies of insurance of the character described in Section 11.1(A) shall be payable, and the insurance proceeds paid, on account of any such loss shall be applied and disbursed as follows:

(1) To the Association, as trustee for each of the Unit Owners in their respective percentages of ownership in the Common Elements as established in the Declaration, in the case of any one loss, of FIFTY THOUSAND DOLLARS (\$50,000.00) or less in the aggregate, which insurance proceeds, less the actual costs, fees and expenses, if any, incurred in connection with the adjustment of the loss, shall be applied to the payment of the cost of restoring the Property to substantially the same condition in which it existed immediately prior to such damage or destruction, with each Unit and Common Element having the same vertical and horizontal boundaries as before, free from construction liens and other similar liens, in accordance with the provisions of subsection C, below; or

(2) In case of any one loss exceeding FIFTY THOUSAND DOLLARS (\$50,000.00) in the aggregate, then the insurance proceeds shall be paid to such state or national banking institution or other corporate entity having the power to act as a trustee under the laws of Tennessee, designated by the Board to act as trustee (the "Insurance Trustee") for the purpose of collecting and disbursing the insurance proceeds described in this subparagraph (2). If the Insurance Trustee shall fail or cease for any reason to act as the Insurance Trustee, then the Board shall appoint a successor Insurance Trustee. The Insurance Trustee shall not be liable for the payment of premiums nor for the renewal or the sufficiency of policies, nor for the failure to collect any insurance proceeds, nor for the form or content of the policies. The sole duty of the Insurance Trustee shall be to receive such proceeds as are paid and distribute the same as herein provided for the purposes elsewhere stated. Such proceeds, less the actual cost, fees and expenses, if any, incurred in connection with the adjustment of the loss, and the fees of the Insurance Trustee, shall be applied by the Insurance Trustee to the payment of the cost of restoring the Property to substantially the same condition in which it existed immediately prior to such damage or destruction, with each Unit and Common Element having the same vertical and horizontal boundaries as before. Such proceeds shall be paid by the Insurance Trustee to or for the account of the Association, from time to time as work progresses, in such manner as shall be required to facilitate the restoration of the damaged property. The Association and the Insurance Trustee may, prior or subsequent to any such loss, enter into an insurance trust agreement further implementing the provisions of this Declaration with respect to the collection and disbursement of proceeds of insurance by the Insurance Trustee.

(3) Notwithstanding anything to the contrary herein, in the event of an insured loss under the Association's master hazard insurance policy for which the Association receives from the insurer payment for a loss sustained by an Owner who is delinquent in the payment of assessments owed to the Association under Section 9.1 herein, then the Association may retain and apply such proceeds to the delinquency. Any surplus remaining after application of the proceeds to any delinquency shall be paid by the Association to the affected Owner.

G. Board Authority. The Board or, where applicable, the Insurance Trustee shall have the exclusive authority to negotiate losses under any policy providing property or liability insurance as described in this Article and such other authority as may be necessary in connection with its purchase and maintenance of the insurance required under this Article.

H. Contents Insurance for Units. Each Unit Owner shall be responsible for his or her own insurance and deductibles on the furnishings and personal property located in his Unit and his personal property stored elsewhere on the Property, and his personal liability to the extent not covered by the policies of liability insurance obtained by the Board for the benefit of all of the Unit Owners as above provided. All policies of casualty insurance carried by each Unit Owner shall be without contribution as respects the policies of casualty insurance obtained by the Board for the benefit of all of the Unit Owners as above provided. Upon request by the Board, the Owner shall furnish a copy of such insurance to the Association. In the event that any such Owner fails to obtain insurance as required by this Section 11.1 (H), the Association may purchase such insurance on behalf of the Owner and assess the cost thereof to the Owner, to be collected in the manner provided for collection of Assessments.

I. Alterations and Additions. Each Unit Owner shall be required to report all additions or alterations to his or her Unit promptly in writing to the Board, without prior request from the Board or the Management Firm, and he shall be responsible for any deficiency in any insurance loss recovery resulting from his failure to so notify the Board. The Board shall not be responsible for obtaining insurance on such additions, alterations or improvements unless and until such Unit Owner shall make such report and request the Board in writing to obtain such insurance, and shall make arrangements satisfactory to the Board for such additional premiums; and upon the failure of such Unit Owner so to do, the Board shall not be obligated to apply any insurance proceeds to restore the affected Unit to a condition better than the condition existing prior to the making of such additions, alterations or improvements. "Additions" or "alterations" shall mean property attached to the Unit and not readily removable without damage to the Unit, including but not limited to, carpeting, special flooring, special wall covering, and paneling. The insurance coverage described in this

Section 11.1(I) shall not be deemed to include personal property owned by the Unit Owner and not attached to the Unit.

J. Waiver. Each Unit Owner hereby waives and releases any and all claims which he may have against any other Unit Owner if any, and their respective employees and agents, for damages to the Common Elements, the Units, or to any personal property located in the Unit or Common Elements caused by fire or other casualty, to the extent that such damage is covered by fire or other form of casualty insurance.

K. Cancellation of Insurance. The Board shall be responsible, in the event any insurance required under this Article is canceled and is not simultaneously replaced with another policy of insurance for similar coverage, for serving notice of such cancellation upon any persons insured thereunder.

L. Repair, Restoration or Reconstruction of the Improvements.

(1) Except as provided in subsection (2) immediately following this subsection, in the case of damage or other destruction to the Condominium Property, including the Units, Common Elements or Limited Common Elements, the Board of Directors shall arrange for the prompt restoration and repair of the portion of the Condominium Property damaged or destroyed. The Association or the Insurance Trustee, as the case may be, shall disburse the proceeds of insurance to such contractors as are selected and retained by the Association for the repair and restoration work in commercially reasonable progress payments, subsequent to the execution of a contract for construction with such contractor. If there is a balance of construction funds remaining in the possession of the Association or Insurance Trustee, as the case may be, after payment of all costs of reconstruction and repair that are the responsibility of the Association, this balance shall be distributed pro rata to each Unit Owner, by check made payable jointly to such Unit Owner and its respective mortgagee.

(2) Any portion of the Condominium Property for which insurance is required under this Declaration that is damaged or destroyed shall be repaired or replaced promptly by the Association unless:

- (a) The Condominium is terminated;
- (b) Repair or replacement would be illegal under any state or local health or safety statute or ordinance; or
- (c) Eighty percent (80%) of the Unit Owners, together with eighty percent (80%) of the Unit Owners of Units that are assigned Limited Common Elements that will not be rebuilt, vote not to rebuild.

(3) The cost of repair or replacement in excess of insurance proceeds and Capital Reserves is a Common Expense. If the entire Condominium is not repaired or replaced:

- (a) The insurance proceeds attributable to the damaged Common Elements must be used to restore the damaged area to a condition compatible with the remainder of the Condominium;
- (b) The insurance proceeds attributable to Units and Limited Common Elements that are not rebuilt must be distributed to the Unit Owners of those Units and the Unit Owners of the Units to which those Limited Common Elements were allocated, or to lienholders, as their interests may appear;
- (c) The remainder of the proceeds must be distributed to all the Unit Owners or lienholders, as their interests may appear, in proportion to the Common Element interests of all the Units; and

(d) The remainder of the proceeds must be distributed to all the Unit Owners or lienholders, as their interests may appear, in proportion to the Common Element interests of all the Units.

(4) If the Unit Owners vote not to rebuild any Unit, that Unit's allocated interests are automatically reallocated upon the vote as if the Unit had been condemned under § 66-27-207(a) of the Condominium Act, and the Association promptly shall prepare, execute, and record an amendment to this Declaration reflecting the reallocations. Notwithstanding this subsection 11.1(L)(4), Section 66-27-318 of the Condominium Act governs the distribution of insurance proceeds if the Condominium is terminated.

(5) As used in this Article, “repair, restoration or reconstruction” of improvements means restoring the improvements to substantially the same condition in which they existed prior to the damage or destruction, with each Unit and Common Element having the same vertical and horizontal boundaries as before unless, if allowed by the Condominium Act, other action is approved by the Unit Owners and their lienholders in the percentages set forth in subsection (2)(c) immediately above.

(6) If the proceeds of the insurance policies payable with respect to any damage or destruction of the Condominium Property, together with any Capital Reserves then in the possession of the Association, shall be insufficient to pay the estimated costs of reconstruction and repair to be effected by the Association, or if at any time during reconstruction and repair, or upon completion of reconstruction and repair, the funds for the payment of the costs of reconstruction and repair are insufficient, Assessments as determined by the Board (which may be in the form of General Assessments, Special Assessments, Capital Improvement Assessments or Limited Common Element Assessments, shall be levied against the Unit Owners in sufficient amounts to provide funds for the payment of all such costs. Such Assessments shall be in proportion to all of the Unit Owners’ respective undivided interests in the Common Elements, as determined by the Association.

(7) If damage occurs to any Unit, the maintenance and responsibility for which lies solely with the Unit Owner thereof, then except to the extent the property insurance maintained by the Association covers such Unit Owner’s Unit (if at all), such Unit Owner shall be solely responsible for all necessary reconstruction of and repair to the Unit, which reconstruction and repair shall be effected promptly and in accordance with guidelines established by the Board of Directors. Each Unit Owner shall have the absolute responsibility for applying insurance proceeds, arising as a result of flood, fire, or other casualty loss or damage to the Unit, to repair, restoration or reconstruction of such Unit; provided, however, that no Unit Owner shall have the responsibility of applying insurance proceeds to the repair or restoration of a Unit if the Condominium is terminated as provided in Article XVI of this Declaration.

ARTICLE XII

EMINENT DOMAIN.

The condemnation or taking of all or any portion of the Condominium Property by any governmental authority through legal action or negotiations in lieu thereof shall be governed by the following provisions:

Section 12.1 Deposit of Certain Condemnation Awards with Insurance Trustee. Condemnation awards pertaining to the taking of Common Elements shall be paid over by each Unit Owner to the Insurance Trustee for use as noted hereinafter in this Section. In the event the Unit Owner fails to turn over such award as required, the defaulting Unit Owner shall be charged the maximum interest which does not constitute usury under Tennessee law until such amount is fully paid. Regardless of the foregoing, however, condemnation awards pertaining to the condemnation of Units shall not be the property of the Association.

Section 12.2 Determination Whether to Continue Condominium. Whether the Condominium will be continued after condemnation will be determined in the manner provided for in Article XI hereinabove for determining

whether damaged property will be restored, reconstructed and repaired after casualty. For this purpose, the taking by eminent domain also shall be deemed to be a casualty.

Section 12.3 Disbursement of Funds. If the Condominium is terminated following a condemnation, the proceeds of the awards pertaining to the condemnation of Common Elements will be deemed to be insurance proceeds and shall be owned and distributed in the manner provided with respect to the ownership and distribution of insurance proceeds if the Condominium is terminated after a casualty. If the Condominium is not terminated after condemnation, the size of the Condominium will be reduced and the property damaged by the taking will be made usable in the manner provided below. The proceeds of any such awards shall be used for these purposes and shall be disbursed in the manner provided for disbursement of funds by the Insurance Trustee after a casualty, or as elsewhere in this Section specifically provided.

Section 12.4 Condemnation of Common Elements. Awards for the taking of portions of the Common Elements shall be used to render the remaining portion of the Common Elements usable in the manner approved by the Board of Directors of the Association; provided, however, that if the cost of such work shall exceed the balance of the funds from the awards for the taking, the work shall be approved in the manner elsewhere required for capital improvements to the Common Elements. The balance of the awards for the taking of Common Elements, if any, shall be distributed, after adjustments to those shares effected pursuant hereto by reason of the taking, to each Unit Owner by check made payable jointly to such Unit Owner and its respective mortgagee(s), in accordance with the provisions of Article XI of this Declaration. Awards for the taking of Limited Common Elements shall be divided equally among the Unit Owners to which such Limited Common Element(s) was/were allocated at the time of condemnation.

Section 12.5 Condemnation of a Unit. If there is a taking of a Unit, the respective Unit Owner shall not be required to utilize any portion of the condemnation award with regard to reconstruction of the Unit. Following such taking of a Unit and the recording of a deed to the condemning authority, (1) the affected Unit Owner shall no longer have an ownership interest in the Unit or an undivided ownership interest in the Common Elements, and (2) such Unit Owner shall no longer be responsible for the payment of Common Expenses. The following changes shall be made in the Condominium following a taking as described in this Section:

A. Addition to Common Elements. The remaining portion of the Unit, if any, shall become part of the Common Elements and shall be placed in a condition allowing, to the extent possible, for use by all of the Unit Owners in the manner approved by the Board of Directors.

B. Adjustment of Shares. The shares in the Common Elements, Common Expenses and Common Surplus appurtenant to the Units that continue as part of the Condominium shall be adjusted to distribute the shares in the Common Elements, Common Expenses and Common Surplus among the reduced number of Unit Owners (and among reduced Units). This distribution shall be determined by taking the fractional share of each Unit Owner in proportion to the number of Units remaining in the Condominium.

C. Assessments. In the event the Association does not have the funds necessary to alter the remaining portion of the condemned Unit for use as a part of the Common Elements, the additional funds for such purposes shall be raised by Assessments against all of the Unit Owners who will continue as Owners of Units after the changes in the Condominium effected by the taking. The Assessments shall be made in proportion to the applicable percentage shares of those Owners after all adjustments to such shares effected pursuant hereto by reason of the taking.

D. Amendment of Declaration. The changes in Units, in the Common Elements and in the ownership of the Common Elements and share in the Common Expenses and Common Surplus that are effected by the taking shall be evidenced by an amendment to this Declaration that is only required to be approved by, and executed upon the direction of a majority of all members of the Board of Directors.

ARTICLE XIII

ARCHITECTURAL CONTROLS

Section 13.1 During Developer Control. During the Developer Control Period, all encroachments onto the Common Elements or Limited Common Elements, exterior change, alteration or construction (including painting and landscaping), and any erection, placement or posting of any object, sign, sticker, light, fountain, flag, personalized or customized exterior door mat, or thing on the exterior or roof of the Building, in any windows (except window treatments as provided herein), or on any Limited Common Elements or any Common Elements, must receive the prior written approval of Developer. However, reasonable seasonal decorative lights may be displayed between Thanksgiving and January 15. Granting or withholding such approval shall be within the sole discretion of Developer. All references in the Condominium Documents to the Board of Directors shall refer to Developer during the period Developer has the right to appoint the officers and directors of the Association. Notwithstanding anything to the contrary stated herein, any architectural change to the Condominium made by Developer during the Developer Control Period shall be deemed to have been approved by the Board.

Section 13.2 After Developer Control. After the Developer Control Period has expired, except for Developer, so long as Developer shall own a Unit for sale, no Owner, Occupant, or any other person may make any encroachment onto the Common Elements or Limited Common Elements, or make any exterior change, alteration, or construction (including painting and landscaping), nor erect, place or post any object, sign, sticker, light, fountain, flag, personalized or customized exterior door mat, or thing on the exterior or roof of the Building, in any windows (except window treatments as provided herein), on any Limited Common Elements, or on any other Common Elements, without first obtaining the written approval of the Board. However, reasonable seasonal decorative lights may be displayed between Thanksgiving and January 15. The standard for approval of such improvements shall include, but not be limited to, aesthetic consideration, materials to be used, harmony with the external design of the existing Building, Units and structures, the location in relation to surrounding structures and topography, and the impact of such approval, if any, on the increase or decrease of sounds and vibrations between the Units and between the Units and the Common Elements and the impact of such approval, if any, on the increase or decrease of sounds and vibrations between the Units and between the Units and the Common Elements. Notwithstanding the above, Developer shall not be required to obtain any approvals under this Section.

Section 13.3 Alteration of Units. Subject to the other provisions of this Declaration, alterations to the interiors of Units, relocation of the boundaries between adjoining Units, and subdivision of Units are subject to the following restrictions:

A. Alterations to the interiors of the Units. Notwithstanding anything to the contrary stated herein, no Owner or Occupant may make any alteration to or within a Unit that: (A) involves connecting to or relocating pipes, lines, conduits and/or other apparatus for access to common utilities; (B) places an excessive load on any structural or load bearing portions of a Unit; or (C) requires penetration of any concrete floor or ceiling slab without first making a complete application to the Board pursuant to subparagraph 13.3(D) below, and obtaining the prior written approval of the Board. Such approval shall not be granted by the Board unless the Owner or Occupant of the Unit has presented to the Board such information as the Board may reasonably require, including, but not limited to, the following documentation: (1) a report or drawing prepared and certified by a structural engineer licensed in the State of Tennessee, which report or drawing shall demonstrate that such proposed interior modifications will not in any way affect or impair the structural soundness or integrity of the Building or any of the Units; (2) building plans for the proposed interior modifications; (3) all necessary permits or approvals required by governmental authorities for the proposed interior modifications; and (4) a certificate of insurance from applicant's contractor, which names the Association and the Owner of the Unit as an additional insured. In addition, within seven (7) days of completion of the interior modifications, the Board shall be provided with a copy of the certificate of occupancy, and an inspection report prepared and certified by a structural engineer licensed in the State of Tennessee.

Furthermore, if alterations to the interior of a Unit require the penetration of the concrete floor or ceiling slab, the Owner shall also provide the Board with a report prepared and certified by a structural engineer licensed in the State of Tennessee confirming that an x-ray analysis has been performed for the purposes of verifying

that such penetration of the concrete floor or ceiling slab will not impair the structural integrity of such concrete floor or ceiling slab or result in the severing of any structural post-tension system or conduits that may be located within the concrete floor or ceiling slab.

B. Relocation of Boundaries. Boundaries between adjoining Units shall not be relocated; provided, however, Developer shall have the right to relocate boundaries between Units owned by Developer without the approval of the Board, and the Board shall execute the required amendment to the Declaration.

C. Subdivision of Units. No Unit shall be subdivided into a smaller Unit or Units; provided, however, Developer shall have the right to subdivide Units owned by Developer without the approval of the Board, and the Board shall execute the required amendment to the Declaration.

D. Applications. Applications for approval of any such architectural modification shall be in writing and shall provide such information as the Board may reasonably require, including, but not limited to, the documentation described in subparagraph A above. Once an application and all required information is received by the Board, the Board shall stamp the application as being complete, and shall then forward to the applicant a written notice of application completion (the "Notice of Application Completion"). The Board shall be authorized to retain an engineer, architect or other consultant to review such application and related documentation and plans, and all costs and expenses related thereto shall be borne solely by the applicant. Approval of an application may be withheld by the Board until such time as all costs and expenses related to the review of an application have been paid by the applicant. The Board shall be the sole arbiter of such application and may withhold approval for any reason, including purely aesthetic considerations, materials to be used, initial acoustical rating approved by Developer, harmony with the external design of the Building and other structures that may be located on the Condominium, and it shall be entitled to stop any construction that is not in conformance with approved plans. The Board may publish written architectural standards for exterior and Common Element alterations or additions, and any request in substantial compliance therewith shall be approved; provided, however, each such requested change shall be in harmony with the external design of the Building and Units, and the location in relation to surrounding structures and topography of the vicinity.

If the Board fails to approve or to disapprove a complete application within ten (10) days after the date of the Notice of Application Completion, its approval will not be required and this Paragraph will be deemed complied with; provided, however, even if the requirements of this Paragraph are satisfied, nothing herein shall authorize anyone to construct or maintain any structure or improvement that is in violation of this Declaration, the Bylaws or rules and regulations promulgated and adopted by the Association or of any applicable zoning or other laws. Under no circumstances will alterations be made or permitted to be made by any Owner if such alteration will:

- (1) unreasonably diminish the benefits afforded to such other Owners by any easement or license or unreasonably interrupt such other Owner's use or enjoyment of any easement or license; provided, however, interruption of the use and enjoyment of any easement or license for temporary construction purposes shall not require consent of the Owners if, upon completion of construction, each Owner's use and enjoyment of the affected easement or license is restored;
- (2) materially adversely affect or impair the structural integrity, character, value or utility of the Building (or any portion thereof);
- (3) materially adversely affect facilities benefiting any other Owners;
- (4) alter the facade or exterior appearance of any portion of the Building in any material respect; or
- (5) materially and adversely affect the rights of any Owner, Occupant or Person to exercise the easement rights granted in this Declaration.

E. Encroachments onto Common Elements. The Board, subject to this Section, may permit Owners to make encroachments onto the Common Elements as it deems acceptable.

F. Condition of Approval. As a condition of approval for a requested architectural change, modification, addition, or alteration, an Owner, on behalf of him or herself and his or her successors-in-interest, shall assume all responsibilities for maintenance, repair, replacement and insurance of such change, modification, addition, or alteration, unless otherwise agreed to in writing by the Board. It is the responsibility of every Owner of a Unit to determine for him or herself what architectural modifications have been made to his or her Unit by any predecessor-in-interest. In the discretion of the Board, an Owner may be made to verify such condition of approval by written instrument in recordable form acknowledged by such Owner on behalf of him or herself and all successors-in-interest.

G. Limitation of Liability. Review and approval of any application pursuant to this Section is made on the basis of aesthetic considerations only, and neither Developer nor the Board shall bear any responsibility for ensuring the structural integrity or soundness of approved construction or modifications, or for ensuring compliance with building codes and other governmental requirements. Neither Developer, the Association, the Board, or member of any of the foregoing shall be held liable for any injury, damages or loss arising out of the manner or quality of approved construction or modifications to any Unit.

H. No Waiver of Future Approvals. Each Owner acknowledges that the members of the Board will change from time to time and that interpretation, application and enforcement of the architectural standards may vary accordingly. Each Owner further acknowledges that the Board may adopt different architectural standards for different parts of the Condominium, based on street visibility and location of the proposed modification in the Building. The approval of the Board of any proposals, plans and specifications or drawings for any work done or proposed, or in connection with any other matter requiring the approval and consent of the Board shall not be deemed to constitute a waiver of any right to withhold approval or consent as to any similar proposals, plans and specifications, drawings, or matters whatever subsequently or additionally submitted for approval or consent.

I. Enforcement. Any construction, alteration, or other work done in violation of this Section shall be deemed to be nonconforming. Upon written request from the Board, Owners shall, at their own cost and expense, remove such construction, alteration, or other work and shall restore the property to substantially the same condition as existed prior to the construction, alteration, or other work. Should an Owner fail to remove and restore as required hereunder, the Board or its designees shall have the right to enter the property, remove the violation and restore the property to substantially the same condition as existed prior to the construction, alteration or other work. All costs thereof, including reasonable attorneys' fees, may be assessed against the benefited Unit and collected as an assessment pursuant to this Declaration.

In addition to the foregoing, the Board shall have the authority and standing, on behalf of the Association, to impose reasonable fines and to pursue all legal and equitable remedies available to enforce the provisions of this Paragraph and its decisions. Furthermore, the Board shall have the authority to record in the Davidson County land records notices of violation of the provisions of this Section.

If any Owner or Occupant makes any change, alteration, or construction (including landscaping) upon the Common Elements or Limited Common Elements in violation of this Section, he or she does so at his or her sole risk and expense. The Board may require that the change, alteration or construction be removed or that it remain on the Common Elements or Limited Common Elements without reimbursement to the Owner or Occupant for any expense he or she may have incurred in making the change, alteration or construction.

J. Commencement of Construction. All changes, modifications and improvements approved by the Board hereunder must be commenced within three (3) months from the date of approval. If not commenced within three (3) months from the date of such approval, then such approval shall be deemed revoked by the Board, unless the Board gives a written extension for commencing the work. All work approved by the Board hereunder shall be completed in its entirety within ninety (90) days from the date of commencement, unless otherwise agreed in writing by the Board. All approved changes, modifications, and

improvements must be completed in their entirety. An Owner may not construct only a portion or part of an approved change, modification, or improvement.

ARTICLE XIV

USE AND OCCUPANCY

In addition to other obligations and duties set forth in this Declaration, each Unit Owner or Occupant of a Unit shall abide by the following use restrictions and any rules and regulations adopted by the Association that are not inconsistent with the provisions set forth herein or the exhibits hereto. In addition to any rights the Association may have against the Owner's family, guests, tenants or Occupants as a result of such person's violation of the Condominium Documents, the Association may take action under this Declaration against the Owner as if the Owner committed the violation in conjunction with the Owner's family, guests, tenants or Occupants. In order to provide for congenial occupancy of the Condominium Property and for the protection of the values of the Units, the use of the Condominium Property shall be restricted to and shall be used and occupied in compliance with, the following provisions and every Unit Owner shall do and perform the following:

Section 14.1 Residential Use. The Units will be used only for the purpose of a residence, in which there shall be not more than two (2) persons per bedroom continuously residing; subject, however, to the requirements of all applicable Laws, the provisions of this Declaration and its exhibits, and to the rules and regulations of the Association promulgated from time to time and provided no trade or business of any kind may be conducted in or from a Unit, except that the Owner or Occupant may conduct ancillary business activities within the unit so long as (i) the existence or operation of the business is not apparent or detectable from outside the Unit in any manner; (ii) the business operation does not involve visitation at the Unit by employees, clients, customers, suppliers or business invitees in excess of expected visitations to Unit without business activity; (iii) the business is legal and conforms to all laws, zoning requirements and restrictive covenants applicable to the Condominium; (iv) the business activity does not increase traffic in the Condominium in excess of what would normally be expected for the Condominium without business activity (other than deliveries by carriers, express mail carriers and other similar deliveries; (v) the business activity does not increase the Association's insurance premiums or ability to obtain insurance; (vi) the business activity is consistent with a residential condominium character, is not hazardous or offensive or threaten the health, safety or security of other residents as determined by the Board; and (vii) the business does not materially increase the use of the Common Elements. Further, each Owner shall:

A. Clean and Sanitary. Maintain in a clean and sanitary manner and good condition of repair and maintenance the Unit and all interior surfaces within or surrounding the Unit (such as the surfaces of the walls, ceilings, floors, etc.) whether or not a part of the Unit or Limited Common Elements which are a part of the Unit and maintain and repair the fixtures therein and pay for any Utilities that are separately metered to the Unit.

B. Lawful Use. Not use or permit the use of any Unit except for purposes consistent with all applicable Laws.

C. Maintain Insurance Rate. Not permit or suffer anything to be done or kept in the Unit which would increase the insurance rates on the Unit or the Common Elements, or which will obstruct or interfere with the rights of other Unit Owners, their successors or assigns, or annoy them with disturbing or unreasonable noises, whether caused by the Unit Owner, any Occupant, their family members, guests, invitees or pets; nor shall a member commit or permit any nuisance, immoral or illegal act in any Unit or on the Common Elements. The Association is expressly authorized to implement the foregoing provisions by Rules and Regulations in furtherance thereof.

D. Alteration. Make no alteration, decoration, repair, replacement or change of the Common Elements or to any outside or exterior portion of the Building without the prior written consent of the Association.

E. Access By Association. Allow the Board of Directors or the authorized agents of the Association to enter any Unit during reasonable hours, when necessary for maintenance, repair or replacement of any Common Elements or of any portion of a Unit to be maintained by the Association pursuant to the Declaration or as necessary to prevent damage to the Common Elements or to another Unit or Units. If no key has been provided to the Association, then the expense of entry into a Unit for emergency purposes shall be borne by the Owner of the Unit.

F. Signs; Advertising; Aerials. Show no sign, advertisement or notice of any type on the Common Elements, Limited Common Elements, or the Unit, including but not limited to "For Sale" or "For Rent" signs, nor shall any such signs be posted within a Unit in such manner as to be visible from the exterior of the Unit. The Unit Owner shall erect no exterior antennas or aerials, antenna masts, towers, satellite or direct TV dishes or other similar devices, except as required to be permitted by law and as provided in uniform regulations promulgated by the Association.

G. Children. Abide by any regulations regarding children as may be established by the Association, except that no regulations shall prohibit children from residing in or occupying a Unit.

H. No Unauthorized Repairs. Make no repairs to any plumbing, heating air conditioning systems, electrical wiring or other systems or equipment within a Unit, except by plumbers, repairmen, service technicians, or electricians who are duly licensed and insured for the work undertaken. If modifications to the Unit are to be made (and any necessary approvals required by this Declaration have been obtained in advance) such modifications shall be made only by licensed and insured contractors or technicians who are approved by the Board. All plumbing, mechanical, heating, air conditioning and electrical repairs within a Unit shall be paid for and constitute the financial obligations of the Owner of the Unit. The Association shall pay for and be responsible for plumbing, mechanical, heating, air conditioning repairs and electrical wiring within the Common Elements. The Association shall have the right to exclude any unlicensed, uninsured or (in the event of any modifications as aforesaid) unauthorized contractors, repair personnel or service technicians from the Condominium.

I. Payment of Taxes. Return the "Condominium Parcel" for the purpose of ad valorem taxes to the respective taxing authorities having jurisdiction over them for separate Assessment against the Condominium Parcel. For the purposes of ad valorem taxation, the interest of the Owner of a "Condominium Parcel" in a "Condominium Unit" and in the "Common Elements" shall be considered as a part of the Unit. The value of such Unit shall be equal to the proportion or percentage of the value of the entire Condominium, including improvements, as has been assigned to such Unit in Exhibit "F" to this Declaration. The total of all said proportions or percentages equals the value of all of the improvements that are a part of the Submitted Property. Nothing herein shall be construed, however, as giving to any Unit Owner the right of contribution or any right of adjustment against any other Unit Owner on account of any deviation by the taxing authorities from the valuation herein prescribed, and each Unit Owner shall pay ad valorem taxes and special assessments as are separately assessed against his Condominium Parcel.

J. Slider Replacement; Etc. Not replace and/or remove sliders, plate glass, or other enclosures on any parts of the building, even though such areas may be a part of the Unit, except with prior written approval of the Board of Directors.

K. No Unauthorized Subdivision. Except as otherwise provided herein, not divide or subdivide a Unit for purpose of sale or lease. Notwithstanding the foregoing, a Unit may be combined with a contiguous Unit and occupied as one dwelling Unit, provided, however, that the Board shall have consented in writing in advance to such combination, in its sole and absolute discretion. Such a combination shall be for occupancy only and shall not be deemed an amendment to the Declaration. Further, any such combination shall not materially alter the configuration of a Unit.

L. Exterior Appearance. Not hang any laundry, garments or other objects which are visible from outside of the Unit, except for draperies, shades or other suitable window coverings. Decorative window coverings shall not include any type of reflective film on any glass windows or doors (it being acknowledged that such material may compromise the integrity of the glass). The exterior appearance of all window

coverings shall be neutral or darker in color. Notwithstanding the foregoing, however, a Unit Owner may display one portable, removable United States flag in a respectful way and, on Armed Forces Day, Memorial Day, Flag Day, Independence Day, and Veterans Day may display official flags that represent the United States Army, Navy, Air Force, Marine Corps and Coast Guard, regardless of any provisions of the declaration, restrictive covenants, or rules dealing with flags or decorations.

M. Rubbish, Etc. Not deposit rubbish, trash or garbage in any container other than a container located entirely within the Unit and not visible from the exterior of the Unit, nor dispose of any rubbish, refuse, garbage or trash except through the trash chute serving the Condominium Property. O. Soundproofing. The Board of Directors shall have the right to promulgate and enforce rules and regulations regarding soundproofing of floors in connection with the installation of floor coverings. No ceramic tile or wood flooring shall be installed in a Unit that has not been supplied or installed by Developer unless the Board of Directors has approved the rules and regulations providing for adequate noise insulation and abatement. All flooring changes shall comply with the acoustical ratings as originally approved by Developer and each Owner grants the Developer and the Board the right to enter their Unit to field test and verify the acoustical rating.

P. Personal Property of Unit Owners. Personal property of Unit Owners, including without limitation bicycles, shall be kept entirely within a Unit when not in use.

Q. Use of Roof. Unit Owners shall not have use of the roofs of the Building at any time or for any purpose.

Maintenance and repair of such system shall be deemed a Common Expense.

S. Construction. Other than the Developer and as otherwise provided herein, Owners may not do any construction or renovation without written notification to the Association at least seventy-two (72) hours in advance. The Association may reasonably restrict the time and manner of construction, except as it

relates to the Developer. Other than the Developer, Unit Owners shall be bound by the following requirements with respect to construction:

(1) Owners must provide copies of proper permits, licenses and insurance certificates and plans and specifications to the Association before commencing with work. Owners must use only properly licensed workers.

V. Special Developer Provisions. The Developer, its successors and assigns, shall be exempt from all provisions of this Article requiring the consent of the Association, except with respect to the following matters, from which the Developer shall not be exempt, and by which the Developer shall be bound to the same extent as all other Unit Owners:

(1) Restrictions on the presence of pets; and

(2) Restrictions on occupancy of Units based on age.

W. Firearms and Fireworks. The display or discharge of firearms or fireworks on the Condominium Property is prohibited, except by law enforcement officers or for transporting the firearm to and from the Occupant's Unit. The term "firearms" includes "B-B" guns, pellet guns and all other types of firearms, regardless of size and including sling shots, archery and other projectile-emitting devices.

X. Grilling. The use of outdoor grills on any portion of the Condominium Property, without exception, is prohibited except as may be designated in specific areas by Developer or the Board.

Y. Parking Restrictions. Each Unit Owner shall have the right to use at least one (1) parking space in the parking area, subject to the following terms, provisions and conditions:

(1) Disabled and stored vehicles are prohibited from being parked on the Condominium. For purposes hereof, a vehicle shall be considered "disabled" if it does not have a current license tag or is inoperable. A vehicle shall be considered "stored" if it remains on the Condominium without being driven for thirty (30) consecutive days or longer without prior written Board permission.

(2) Boats, trailers, jet-skis and trailers for same, panel trucks, buses, trucks with a load capacity of one (1) ton or more, vans (excluding vans used by handicapped persons, mini-vans or sport utility vehicles used as passenger vehicles and receiving a "car" or "passenger vehicle" classification by the Tennessee Department of Motor Vehicles), recreational vehicles (RVs and motor homes), vehicles used primarily for commercial purposes, and vehicles with commercial writings on their exteriors other than vehicles belonging to Sheriffs, Marshals, or police officers' vehicles marked as such, are also prohibited from being parked on the Condominium, except in areas, if any, that may be designated by the Board as parking areas for particular types of vehicles. Notwithstanding the above, trucks, vans, commercial vehicles and vehicles with commercial writings on their exteriors shall be allowed temporarily on the Common Elements during normal business hours for the purpose of serving any Unit or the Common Elements; provided, however,

no such vehicle shall remain on the Common Elements overnight or for any purpose unless prior written consent of the Board is first obtained.

(3) If any vehicle is parked on any portion of the Condominium in violation of this Paragraph or in violation of the Association's rules and regulations, the Board or agent of the Association may place a notice on the vehicle specifying the nature of the violation and stating that after twenty-four (24) hours the vehicle may be towed or booted. The notice shall include the name and telephone number of the person or entity that will do the towing or booting and the name and telephone number of a person to contact regarding the alleged violation. If twenty-four (24) hours after such notice is placed on the vehicle the violation continues or thereafter occurs again within six (6) months of such notice, the Board or agent of the Association may have the vehicle towed or booted in accordance with the notice, without further notice to the Owner or user of the vehicle.

(4) If a vehicle is parked in a fire lane, is blocking another vehicle or access to another parking space, is obstructing the flow of traffic, is parked in a parking space which has been assigned as exclusively serving another Unit, or otherwise creates a hazardous condition, no notice shall be required and the Board or agent of the Association may have the vehicle towed immediately. If a vehicle is towed or booted in accordance with this subparagraph, neither the Association nor any officer or agent of the Association shall be liable to any person for any claim of damage as a result of the towing activity. MAINTENANCE AND ALTERATIONS

Section 15.1 Maintenance and Repairs. Responsibility for the maintenance, repair and replacement of the Condominium Property is as follows:

A. By the Association. The Association shall maintain, repair and replace all of the following, the costs of which are a part of the Common Expenses:

(1) All Common Elements;

(2) All portions of the Condominium Units (except interior wall surfaces) contributing to the support of the Building, which portions shall include, but not be limited to, load bearing columns and walls;

(3) All Common Elements including but not limited to conduits, ducts, plumbing, wiring and other facilities for the furnishing of Utility services that are contained in the portions of the Condominium Unit contributing to the support of the Building or within the interior boundary walls and all such facilities contained within a Condominium Unit that service part or parts of the Condominium other than the Unit within which it is contained;

(4) All exterior windows of Units; and

(5) All incidental damage caused to a Condominium Unit by such work shall be promptly repaired or replaced at the expense of the Association.

B. By the Unit Owner. Each Unit Owner shall operate, maintain, repair and replace, at the Unit Owner's expense, all of the following:

(1) All portions of the Condominium Unit, excepting only the portions to be maintained, repaired or replaced by the Association as provided above;

(2) Cleaning all exterior doors and screens adjacent or attached to the Unit; provided, however, that the painting of the exterior doors shall be a Common Expense and the color, finish and design thereof shall be designated by the Association. These surfaces shall be maintained in such manner as to preserve a uniform appearance among the Units in the Condominium;

(3) Interior paint, finish, covering, wallpaper and decoration of all walls, floors and ceilings;

(4) All built-in shelves, cabinets, counters, storage areas and closets;

(7) All interior doors, non-load-bearing walls, partitions, and room dividers;

(8) All furniture, furnishings and personal property contained within the respective Unit; and

(9) All other maintenance, repair or replacements involving a Unit as contemplated and authorized hereunder.

All property to be maintained and repaired by a Unit Owner shall be kept in a first class condition at all times and in good working order, if the same affects the exterior appearance of the Building, so as to preserve a well-kept appearance throughout the Condominium and the Building at all times, and no maintenance, repairs or replacements shall be performed in a manner that changes or alters the exterior appearance of the Building from its original appearance or condition without the prior written consent of the Association, in its sole and absolute discretion. All property to be maintained, repaired or replaced by a Unit Owner that is inside of the Unit Owner's Unit and that does not affect the exterior appearance of the Building shall be maintained in a condition that does not and will not adversely affect any other Unit Owner, or any portion of the Condominium Property or the Building. No Unit Owner shall operate, maintain, repair or replace any portion of the Common Elements or Limited Common Elements to be operated, maintained, repaired or replaced by the Association without the prior written consent of the Association, as the case may be. Each Unit Owner shall promptly report to the Association any defects or need for repairs, maintenance or replacement, the responsibility for which is that of the Association.

Section 15.2 Alterations and Improvements. Alterations and improvements to the Common Elements and the Units shall be governed by the following provisions:

A. To Common Elements. After the completion of the improvements included in the Common Elements that are set forth in this Declaration, or that are contemplated by the Developer in the completion of the development as set forth herein, there shall be no alterations or additions to the Common

Elements or Limited Common Elements unless authorized by an Amendment to this Declaration in the manner set forth in Article VI above.

B. To the Units. Except as otherwise reserved by the Developer, no Unit Owner shall make any alteration or improvement to the Unit Owner's Unit except in accordance with this Section. A Unit Owner may make alterations and improvements to the interior of the dwelling located within the Unit, so long as such alterations or improvements are not visible from the outside of the Unit, do not impair the structural integrity of the Common Elements or the Building, do not otherwise violate the terms of this Declaration, and are in compliance with all applicable Laws. Any other alterations or improvements to a Unit (including, but not limited, to the enclosing or screening in of any porch or patio within the Unit), may be made only if prior written approval is obtained from the Board of Directors, which approval may be withheld, conditioned or delayed in their sole and absolute discretion.

C. Indemnification. A Unit Owner making or causing to be made any additions, alterations or improvements agrees and shall be deemed to have agreed, for such Owner and his heirs, personal representatives, successors and assigns, as appropriate, to hold the Association and all other Unit Owners harmless from and to indemnify them for any liability or damage to the Condominium Property and expenses arising therefrom, and shall be solely responsible for the maintenance, repair and insurance thereof from and after that date of installation or construction thereof as may be required by the Association.

D. Contracts By Association. The Board of Directors may enter into a contract with any firm, person or corporation, or may join with other condominium associations and entities in contracting for the maintenance and repair of the Condominium Property, the property of other condominiums and other type properties, and may contract for or may join with other condominium associations in contracting for the management of the Condominium Property, the property of other condominiums and other type properties, as may be more specifically provided for by the Charter and Bylaws. The Association, through its Board of Directors, has entered into the Management Agreement, which is encompassed by the provisions of this paragraph.

E. Entry Into Unit. Each Unit Owner agrees to allow the Association to enter into any Unit for the purpose of maintenance, repair, replacement of the Common Elements or Limited Common Elements, or any portion of a Unit to be maintained by the Association pursuant to the Declaration or as necessary to prevent damage to the Common Elements or to a Unit or Units.

F. Enforcement. In the event the Unit Owner of a Unit fails to maintain such Unit and/or the Limited Common Elements to the extent as required herein, or makes any alterations or additions without the required written consent, or otherwise violates or threatens to violate the provisions hereof or the rules and regulations adopted in or pursuant to the Bylaws, the Association shall have the right to proceed in a court of equity for an injunction to seek compliance with the provisions hereof, in addition to any other rights to which it may be entitled under applicable law.

G. Other Contracts. The Association may enter into agreements or authorize arrangements with such firms or companies as it may deem appropriate for and on behalf of the Unit Owners to provide certain services and/or maintenance which otherwise would be the responsibility of the Unit Owners rather than the Association under this Declaration. Such agreement(s) or arrangement(s) may provide for such maintenance and service to be performed on a regularly scheduled basis, such as air conditioning maintenance and service, exterminating services and other types of maintenance and services, as the Association deems advisable for such periods of time and on such bases as it determines. The cost for such services and/or maintenance shall be the specific responsibility of each Unit Owner participating in such service and/or maintenance and shall not be a Common Expense for all Unit Owners. Such agreements or arrangements shall not relieve the Unit Owners of the underlying responsibility but shall be a convenience for them. Each Unit Owner shall be deemed a party to such agreements or arrangements with the same force and effect as though such Unit Owner had executed such arrangement or authorized such arrangement and it is understood and agreed that the Association shall be executing or authorizing such agreements or arrangements as the agent for the Unit Owners.

ARTICLE XVI

TERMINATION

This Condominium may be voluntarily terminated in the manner provided for in the Condominium Act at any time, provided that certain of the provisions of the Condominium Act may be superseded by specific provisions of this Article or any other provision of this Declaration. Whenever any of the provisions of this Declaration and other exhibits attached hereto shall be in conflict, the provisions of this Declaration shall be controlling. Whenever any of the provisions of the Charter and the Bylaws, such documents being attached hereto as exhibits, shall be in conflict, the provisions of the Charter shall be controlling over the Bylaws.

FURTHERMORE, THE ASSOCIATION DOES NOT GUARANTEE THAT NON-OWNERS AND NON-OCCUPANTS WILL NOT GAIN ACCESS TO THE CONDOMINIUM AND COMMIT CRIMINAL ACTS ON THE CONDOMINIUM NOR DOES THE ASSOCIATION GUARANTEE THAT CRIMINAL ACTS ON THE CONDOMINIUM WILL NOT BE COMMITTED BY OTHER OWNERS OR OCCUPANTS. IT SHALL BE THE RESPONSIBILITY OF EACH OWNER TO PROTECT HIS OR HER PERSON AN) PROPERTY AND ALL RESPONSIBILITY TO PROVIDE SUCH SECURITY SHALL LIE SOLELY WITH EACH OWNER. NEITHER DEVELOPER NOR THE ASSOCIATION SHALL BE HELD LIABLE FOR ANY LOSS OR DAMAGE BY REASON OF FAILURE TO PROVIDE ADEQUATE SECURITY OR INEFFECTIVENESS OF MEASURES UNDERTAKEN.**

Section 20.11 Dispute Resolution.

A. Prior to filing a lawsuit against the Association, the Board, or any officer, director, or property manager of the Association, an Owner or Occupant must request and attend a hearing with the Board of Directors. Any such request shall be in writing and shall be personally delivered to any member of the Board of Directors or the property manager, if any, of the Association. The Owner or Occupant shall, in such request and at the hearing, make a good faith effort to explain the grievance to the Board and resolve the dispute in an amicable fashion, and shall give the Board a reasonable opportunity to address the Owner's or Occupant's grievance before filing suit. Upon receiving a request for a hearing, the Board shall give notice of the date, time and place of the hearing to the person requesting the hearing. The Board shall schedule this hearing for a date not less than seven (7) or more than twenty-one (21) days from the date of receipt of the request.

B. IF THE ASSOCIATION OR ANY UNIT OWNER ASSERTS A CAUSE OF ACTION THAT:

(1) INVOLVES IN WHOLE OR IN PART ANY ASPECT OF THE DESIGN, CONSTRUCTION, SALE MAINTENANCE, HABITABILITY OR CONDITION OF THE CONDOMINIUM, INCLUDING WITHOUT LIMITATION, ANY UNIT, THE COMMON ELEMENTS OR THE LIMITED COMMON ELEMENTS OF CONDOMINIUM;

(2) THAT ARISES OUT OF OR RELATES TO THE CONTRACT BETWEEN DEVELOPER AND THE UNIT OWNER FOR THE SALE OF UNIT, THE BREACH THEREOF, ANY WORK OR IMPROVEMENTS PERFORMED THEREUNDER, ANY EXPRESS OR IMPLIED WARRANTY OR REPRESENTATION RELATED TO THE MATTERS DESCRIBED OR INVOLVED IN SUCH CONTRACT OR ANY WORK OR IMPROVEMENT PERFORMED THEREUNDER;

(3) THAT ARISES OUT OF RELATES TO ANY CONTRACT BETWEEN OR AMONG ANY UNIT OWNER AND/OR ANY FUTURE UNIT OWNER(S) OF THE CONDOMINIUM FOR THE SALE OF A CONDOMINIUM UNIT, THE BREACH THEREOF, ANY WORK OR IMPROVEMENTS PERFORMED THEREUNDER, ANY EXPRESS OR IMPLIED WARRANTY OR REPRESENTATION RELATED TO THE MATTERS DESCRIBED OR INVOLVED IN SUCH CONTRACT OR ANY WORK OR IMPROVEMENT PERFORMED THEREUNDER; OR

(4) THAT ARISES OUT OF OR RELATES TO ANY CONTRACT BETWEEN OR AMONG DEVELOPER AND HARDWAY CONSTRUCTION (“CONTRACTOR”), RELATED TO THE CONDOMINIUM, THE BREACH THEREOF, ANY WORK OR IMPROVEMENTS PERFORMED THEREUNDER, ANY EXPRESS OR IMPLIED WARRANTY OR REPRESENTATION RELATED TO THE MATTERS DESCRIBED OR INVOLVED IN SUCH CONTRACT OR ANY WORK OR IMPROVEMENT PERFORMED THEREUNDER

AGAINST CONTRACTOR, DEVELOPER, THE ASSOCIATION OR ANY OF THEIR REPRESENTATIVES, OFFICERS, DIRECTORS, EMPLOYEES, AFFILIATES, SUBCONTRACTORS OR SUPPLIERS, ANY REAL ESTATE BROKER OR AGENT INVOLVED IN THE PURCHASE AND SALE OF A UNIT, OR ANY PRIOR UNIT OWNER, SUCH CLAIM OR CAUSE OF ACTION SHALL BE DECIDED BY BINDING ARBITRATION ADMINISTERED BY THE AMERICAN ARBITRATION ASSOCIATION (“AAA”) IN ACCORDANCE WITH THE CONSTRUCTION ARBITRATION RULES OF THE AAA, AS IN EFFECT ON THE DATE OF ANY DEMAND FOR ARBITRATION HEREUNDER.

C. EACH UNIT OWNER HEREBY AUTHORIZES THE ASSOCIATION TO ACT AS THE EXCLUSIVE REPRESENTATIVE OF EACH UNIT OWNER ASSERTING ANY CLAIMS AND CAUSES OF ACTION RELATING IN WHOLE OR IN PART TO THE COMMON ELEMENTS (INCLUDING THE LIMITED COMMON ELEMENTS) OF THE CONDOMINIUM AND TO ANY PORTION OF THE UNITS WHICH ARE THE RESPONSIBILITY OF THE ASSOCIATION TO MAINTAIN, REPAIR AND REPLACE. EACH UNIT OWNER HEREBY APPOINTS THE ASSOCIATION EXCLUSIVELY TO ACT AS THEIR ATTORNEY IN FACT (WHICH APPOINTMENT IS IRREVOCABLE) WITH RESPECT TO THE CLAIMS AND CAUSES OF ACTION REFERENCED IN THIS PARAGRAPH 20.11(B) INCLUDING THE RIGHT TO COMPROMISE AND SETTLE THE SAME. EACH UNIT OWNER AGREES THAT NO UNIT OWNER SHALL ASSERT A CLAIM OR CAUSE OF ACTION RELATING TO THE COMMON ELEMENTS (INCLUDING THE UNDIVIDED INTEREST AND THE LIMITED COMMON ELEMENTS) EXCEPT THROUGH THE ASSOCIATION. NOTHING CONTAINED HEREIN SHALL OBLIGATE THE ASSOCIATION TO ASSERT A SUCH A CLAIM OR CAUSE OF ACTION ON BEHALF OF ANY UNIT OWNER. THIS PROVISION GIVES THE ASSOCIATION THE RIGHT, WITHOUT THE OBLIGATION, TO ASSERT A SUCH A CLAIM OR CAUSE OF ACTION ON BEHALF OF ANY UNIT OWNER, IF THE ASSOCIATION SO CHOOSES.

D. ALL ARBITRATIONS IN WHICH THE ASSOCIATION IS A PARTY SHALL BE RESOLVED BEFORE A PANEL OF THREE (3) ARBITRATORS PURSUANT TO THE CONSTRUCTION INDUSTRY RULES OF THE AMERICAN ARBITRATION ASSOCIATION.

E. ALL ARBITRATIONS IN WHICH A UNIT OWNER IS A PARTY (AND THE ASSOCIATION IS NOT A PARTY ASSERTING A CLAIM FOR RELIEF OTHER THAN FOR ATTORNEYS FEES AND/OR COSTS OF THE ARBITRATION) SHALL BE RESOLVED BEFORE ONE (1)

ARBITRATOR PURSUANT TO THE CONSTRUCTION INDUSTRY RULES OF THE AMERICAN ARBITRATION ASSOCIATION.

F. ALL ARBITRATION HEARINGS SHALL BE CONDUCTED IN NASHVILLE, TENNESSEE. ALL CLAIMS AND CAUSES OF ACTION OF ALL PERSONS AND ENTITIES ENTITLED TO ENFORCE (OR WHICH ARE BOUND BY) THIS COVENANT SHALL BE ASSERTED IN A SINGLE ARBITRATION PROCEEDING, AND MULTIPLE PARTIES MAY BE JOINED IN THE ARBITRATION PROCEEDING SO THAT ALL CLAIMS AND CAUSES OF ACTION REGARDING THE CONDOMINIUM MAY BE RESOLVED IN ONE FORUM. NO CLAIM OR CAUSE OF ACTION MAY BE ASSERTED IN SUCH ARBITRATION THAT WOULD BE BARRED BY THE STATUTE OF LIMITATIONS OR THE STATUTE OF REPOSE. NOTWITHSTANDING ANYTHING HEREIN THE CONTRARY, "CLASS" ARBITRATION PROCEEDINGS, DEFINED AS A SINGLE ARBITRATION PROCEEDING INITIATED BY MULTIPLE UNIT OWNERS, ARE PROHIBITED UNLESS AGREED TO IN WRITING BY ALL PARTIES ENTITLED TO ENFORCE (AND/OR WHICH ARE BOUND BY) THIS COVEVANT.

G. IN ANY ARBITRATION PROCEEDING, REQUESTS FOR PRODUCTION OF DOCUMENTS MAY BE SERVED BY EACH PARTY, AND NON-PRIVILEGED, RESPONSIVE DOCUMENTS THAT WOULD BE DISCOVERABLE UNDER RULE 34 OF THE FEDERAL RULES OF CIVIL PROCEDURE (WERE THE CLAIMS AND CAUSES OF ACTION BEING ASSERTED IN UNITED STATES DISTRICT COURT) SHALL BE PRODUCED. DEPOSITIONS MAY BE TAKEN AS ALLOWED BY THE ARBITRATOR(S), WHO SHALL REASONABLY LIMIT THE NUMBER OF DEPOSITIONS IN ORDER THE AVOID UNNECESSARY OR EXCESSIVE EXPENSE, DELAY, OR HARASSMENT.

H. THE ARBITRATOR(S) SHALL ISSUE A WRITTEN AWARD WITHIN THIRTY (30) DAYS AFTER THE FINAL HEARING IDENTIFYING WITH SPECIFICITY EACH CLAIM OR CAUSE OF ACTION ASSERTED OR RESOLVED IN ANY ARBITRATION, AND THE LEGAL PRINCIPLES OF *RES JUDICATA* AND COLLATERAL ESTOPPEL SHALL BE APPLICABLE TO ANY ARBITRATION AWARD. COSTS OF THE ARBITRATION AND AWARDS OF ATTORNEY'S FEES MAY BE INCLUDED IN THE DECISION OF THE ARBITRATOR(S). THE AWARD RENDERED BY THE ARBITRATOR(S) SHALL BE FINAL AND BINDING UPON ALL PARTIES AND JUDGMENT MAY BE ENTERED UPON IT IN ACCORDANCE WITH THE APPLICABLE LAW IN ANY COURT HAVING JURISDICTION THEREOF.

I. THIS COVENANT FOR ARBITRATION OF DISPUTES AND AGREEMENT FOR ARBITRATION IS EXPRESSLY INTENDED TO BENEFIT, BE ENFORCEABLE BY, AND BIND EACH PERSON AND ENTITY REFERENCED HEREIN WHETHER OR NOT SUCH PERSON OR ENTITY HAS EXECUTED THIS COVENANT FOR ARBITRATION OF DISPUTES AND AGREEMENT FOR ARBITRATION. THIS COVENANT FOR ARBITRATION OF DISPUTES AND AGREEMENT FOR ARBITRATION SHALL RUN WITH THE LAND.

J. ANY PORTION OF THIS COVENANT FOR ARBITRATION OF DISPUTES AND AGREEMENT FOR ARBITRATION, WHICH MAY BE HELD TO BE UNENFORCEABLE SHALL BE SEVERABLE FROM THE BALANCE OF THIS COVENANT FOR ARBITRATION OF DISPUTES AND AGREEMENT FOR ARBITRATION SO THAT THE REMAINDER OF THIS COVENANT FOR ARBITRATION OF DISPUTES AND AGREEMENT FOR ARBITRATION SHALL REMAIN IN FULL FORCE AND EFFECT.

K. THE FOREGOING AGREEMENT TO ARBITRATE SHALL BE ENFORCEABLE UNDER THE PREVAILING TENNESSEE ARBITRATION LAW.

L. Nothing in this Section 20.11(B) or elsewhere in this Declaration shall be deemed to waive Developer's rights or limit Developer's remedies against Contractor pursuant to any separate agreement(s).

M. Parking Spaces and Storage Spaces. Neither Developer nor the Association shall be held liable for any loss or damage arising from theft, vandalism, malicious mischief, or any loss or damage resulting from water or acid damage, to any property placed or kept in any parking space or storage space in the Condominium. Each Owner or Occupant with use of a parking space or storage space who places or keeps a vehicle and/or any personal property in the vehicle, parking space, or storage space does so at his or her own risk.

N. Unit Keys. At the request of the Association, each Unit Owner, by acceptance of a deed to a Unit, agrees to provide the Association with a key to the Unit (and the security alarm code, if any) to be used by the Association for maintenance, emergency, security or safety purposes as provided in Section 15.2(E) of this Declaration (and for pest control, if necessary). Neither Developer nor the Association shall be liable for any loss or damage due to its holding such key, or use of such key for the purposes described above and each Owner shall indemnify and hold harmless Developer, the Association and its officers and directors against any and all expenses, including attorneys' fees, reasonably incurred by or imposed upon Developer, the Association or its officers or directors in connection with any action, suit, or other proceeding (including settlement of any such action, suit or proceeding) brought by the Owner or the Owner's family, tenants, guests, employees, invitees, or licensees against Developer, the Association, its officers or directors arising out of or relating to its holding or use of such key for the purposes described above.

O. Right of Action. All Owners hereby acknowledge and agree that the Association shall not be entitled to institute any legal action against anyone on behalf of any or all of the Owners which is based on any alleged defect in any Unit, or any damage allegedly sustained by any Owner by reason thereof, but rather, that all such actions shall be instituted by the Person(s) owning such Units or allegedly sustaining such damage. Notwithstanding the above, once Developer no longer has the right to appoint and remove directors and officers, as set forth in Article II, Section 2.1 of the Bylaws, the Board of Directors may, subject to the approval of at least two thirds (2/3) of the Unit Owners, negotiate the resolution of any alleged defect(s) in the Common Elements on behalf of the Owners and shall have the right and authority to settle and release on behalf of any and all of the Owners claims, causes of action, damages and suits involving the same. Any such settlement and release shall bind all Owners and their successors and assigns. As set forth in Section 6.4 hereof, no amendment to this Declaration shall (i) modify, alter, or delete any provision of this Declaration that benefits Developer or any rights, privileges, easements, protections, or defenses of Developer; or (ii) alter the rights of the Owners or the Association in relationship to Developer, without the written consent of Developer attached to and recorded with such amendment.

P. Successor Developers. Any successor to Developer shall not be responsible or subject to liability by operation of law or through the purchase of Developer's interest in the Condominium or any portion thereof at foreclosure or otherwise for any act, omission, or matter occurring or arising from any act, omission, or matter occurring prior to the time the successor succeeded to the interest of Developer.

Q. Disclosures. Each Owner and Occupant acknowledge the following:

(1) The Condominium is located adjacent to thoroughfares that may be affected by traffic and noise from time to time and may be improved and/or widened in the future.

(2) The views from an Owners Unit may change over time due to, among other circumstances, additional development and the removal or addition of landscaping.

(3) No representations are made regarding the zoning of adjacent property, or that the category to which adjacent property is zoned may not change in the future.

(4) No representations are made that the Unit is or will be soundproof or that sound may not be transmitted from one Unit to another.

(5) The Plat and Condominium floor plans and the dimensions and square footage calculations shown thereon are only approximations. Any Owner who is concerned about any

representations regarding the floor plans should do his/her own investigation as to the dimensions, measurements and square footage of his/her Unit.

(6) All Owners and Occupants acknowledge and understand that Developer will be constructing/renovating portions of the Condominium and engaging in other construction activities related to the construction of Common Elements and improvement of Units. Such construction activities may, from time to time, produce certain conditions on the Condominium, including, without limitation: (A) noise or sound that is objectionable because of its volume, duration, frequency or shrillness; (B) smoke; (C) noxious, toxic, or corrosive fumes or gases; (D) obnoxious odors; (E) dust, dirt or flying ash; (F) unusual fire or explosion hazards; (G) temporary interruption of utilities; and/or (H) other conditions that may threaten the security or safety of Persons on the Condominium. Notwithstanding the foregoing, all Owners and Occupants agree that such conditions on the Condominium resulting from renovation and construction activities shall not be deemed a nuisance and shall not cause Developer and its agents to be deemed in violation of any provision of the Declaration.

Section 20.12 Utility Services to Building. In order to provide the Condominium and the Building with adequate and uniform water service and sewage disposal service, the Developer may initially contract for the servicing of the Condominium and the Unit Owners therein with such services whether from a Utility company or a municipal or county Utility. Pursuant to the foregoing, the Developer has, will or may contemporaneously herewith contract with a Utility company in which the Developer may have an interest for the furnishing of such services, and the Association and Unit Owners agree to pay the charges therefor, pursuant to and to comply with all of the terms and conditions of such Utility agreement. So long as such Utility company is not an affiliate of Developer within the meaning of § 66-27-405 of the Condominium Act, Developer shall have the absolute right to transfer and assign all such contracts or agreements to the Association or the Unit Owners, as the case may be, and upon such transfer shall have the right to indemnification by the assignee from and against any further liability or responsibility thereunder.

Section 20.13 Administrative Fines. The Association may levy fines against a Unit for the failure of the Unit Owner, or its occupant, licensee or invitee, to comply with any provision of this Declaration, the Association Bylaws, or rules and regulations of the Association. Such fine will become a lien against a Unit as provided in this Declaration and § 66-27-415 of the Condominium Act. No fine shall exceed \$2,500.00 per violation; provided, however, that a fine may be levied on the basis of each day of a continuing violation with a single notice and opportunity for hearing, provided that no such fine shall in the aggregate exceed \$100,000.00 (which amounts may be adjusted in the Board's discretion in accordance with corresponding increases in the Consumer Price Index). Any such fine(s) shall not limit the Association's remedies, including but not limited to the right of the Association to require the applicable Unit Owner to pay all costs related to any damage to the Common Elements caused by the Unit Owner, its occupants, licensees or invitees, which costs may be charged separately to the applicable Unit Owner and in addition to any fines that are levied.

Section 20.14 Statement of Easements Serving or Burdening Any Portion of the Condominium. In addition to any easements reserved under this Declaration, and in accordance with § 66-27-309(b)(5) of the Condominium Act, Developer hereby states that:

BYLAWS
OF
1041 FLATS CONDOMINIUM ASSOCIATION, INC.

ARTICLE I

MEMBERS (UNIT OWNERS)

Section 1.1 Eligibility. The members of 1041 FLATS Condominium Association, Inc., a Tennessee nonprofit corporation (the "Association"), shall consist of the respective Unit Owners of 1041 FLATS, a Condominium (the "Property"), in accordance with the respective percentages of ownership interest in the Common Elements of the Property owned by the respective Unit Owners. These and other terms are used in these Bylaws as they are defined in that certain Declaration of Condominium for 1041 FLATS, a Condominium (the "Declaration"), which Declaration is or will be recorded in the Register's Office for Davidson County, Tennessee. The words "member" or "members" as used in these Bylaws mean and shall refer to "Unit Owner" or "Unit Owners", as the case may be, as defined in the Declaration. If a Unit Owner is a land title holding trust under the terms of which all powers of management, operation and control of the Unit remain vested in the trust beneficiary, then the members shall be said beneficiary of such trust.

Section 1.2 Succession. The membership of each Unit Owner shall terminate when such Owner ceases to be a Unit Owner, and upon the sale, transfer or other disposition of such Owner's ownership interest in the Property, such Owner's membership in the Association shall automatically be transferred to the new Unit Owner succeeding to such ownership interest.

Section 1.3 Annual Meetings. The annual meeting of Unit Owners shall be held at the time and place specified in the notice of such meeting, but such place shall be within five (5) miles of the Property. The annual meeting of Unit Owners shall be held on the first Tuesday following the sixtieth (60th) day following the end of the Association's fiscal year of each and every year, if not a legal holiday, and if a legal holiday, then on the next succeeding Tuesday not a legal holiday. At the annual meeting, the Unit Owners shall elect Directors, receive reports on the activities and financial condition of the Association, and transact such other business as may properly come before the meeting. Notwithstanding anything in this Section 1.3 to the contrary, until such time as the Developer transfers control of the Association pursuant to Section 1.7 hereof, meetings of the Association shall be conducted in accordance with the terms of the notice of such meetings, as regards location, time, and method of meeting, i.e. teleconference, etc.

Section 1.4 Special Meetings. The Association shall hold a special meeting of its Unit Owners upon the call of the Board of Directors or President, or upon the written demand(s) to the Secretary by Unit Owners holding at least ten percent (10%) of all votes entitled to be cast on any issue to be considered at the proposed special meeting. Any call or demand for a special meeting shall describe the purpose(s) for which the special meeting is to be held. Only business within the purpose(s) described in the meeting notice for the special meeting may be conducted at such meeting.

Section 1.5 Notice of Meetings. The Association shall notify its Unit Owners of the date, time and place of each annual and special meeting of Unit Owners no fewer than ten (10), nor more than forty-five (45) days before the meeting date. The notice of a meeting shall also contain such other information which may be required by these Bylaws.

Section 1.6 Waiver of Notice. A Unit Owner's attendance at a meeting:

A. Waives objection to lack of notice or defective notice of the meeting unless the Unit Owner at the beginning of the meeting (or promptly upon arrival) objects to holding the meeting or transacting business at the meeting; and

B. Waives objection to consideration of a particular matter at the meeting that is not within the purpose(s) described in the meeting notice, unless the Unit Owner objects to considering the matter when it is presented.

Section 1.7 Voting. The aggregate number of votes of all Unit Owners shall be equal to the total of all Units which are subject to the Declaration, and shall be divided among the respective Unit Owners with one (1) vote allocated to each Unit. If any Unit Owner consists of more than one (1) person, the voting rights of such Unit Owner shall not be divided but shall be exercised as if the Unit Owner consisted of only one (1) person in accordance with the proxy or other designation made by the persons constituting such Unit Owner. A "majority of the Unit Owners" means the owners of more than fifty percent (50%) of the voting rights of Unit Owners.

Developer may exercise the voting rights with respect to Units owned by Developer; however, the Developer shall retain control of the Association until Developer transfers control of the Association to the other Unit Owners no later than the earlier of:

- A. One hundred twenty (120) days after seventy-five percent (75%) of the Units in the project have been conveyed to Unit purchasers other than affiliates of Developer;
- B. Seven (7) years after the first Unit is sold; or
- C. Developer's written surrender of its authority to appoint or remove officers and directors of the Association.

If control must be transferred because of the occurrence of (a), (b) or (c) just above, the Developer's number of votes for Units owned shall be appropriately reduced so that control of the Association is effectively transferred.

Notwithstanding the foregoing, no Unit Owner who is in default in the payment of assessments hereunder shall be entitled to exercise the right to vote until the Owner's has cured such default. A Unit Owner shall be deemed to be in default if such Owner has not paid his or her assessments to the Board, or their agent, within ten (10) days after the date such assessments are due. A Unit Owner may protest the amount of the assessment, but it still must be paid during the pendency of the protest to the Board.

Section 1.8 Quorum. Unless otherwise required by law, at least twenty percent (20%) of the votes entitled to be cast by Unit Owners must be represented at any meeting of the Unit Owners to constitute a quorum on that matter. If, however, such quorum is not represented at any such meeting, the Unit Owners present at the meeting in person or represented by proxy shall have the power to adjourn from time to time without notice other than announcement at the meeting, until the requisite quorum is present or represented, when any business may be transacted which might have been transacted at the meeting as provided in the original notice.

Section 1.9 Voting Requirements. Except as otherwise provided in these Bylaws, the Declaration or the Condominium Act, action on any matter noted upon at a meeting of the Unit Owners is approved if a majority of the Unit Owners in attendance (in person, by telephone, or by proxy) vote in favor of the action. However, Directors shall be elected by a plurality of the votes cast by the Unit Owners entitled to vote in the election at a meeting of the Unit Owners at which a quorum is present.

Section 1.10 Action by Written Consent. Action that is required or permitted to be taken at a meeting of the unit Owners may be taken without such a meeting if a majority of Unit Owners entitled to vote on the action consent to taking such action without a meeting. If all such Unit Owners so consent, the affirmative note of the number of votes that would be necessary to authorize or take such action at a meeting shall be the act of the Unit Owners, except as otherwise provided in these Bylaws. Such consent (or counterpart(s) thereof) shall describe the action taken, be in writing, be signed by each Unit Owner entitled

to vote on the action, indicate each signing Unit Owner's vote or abstention on the action, and be delivered to the Secretary of the Association and included in the minutes or Association records.

Section 1.11 Action by Written Ballot. Any action that may be taken at any annual or special meeting of Unit Owners may be taken without a meeting if the Association delivers a written ballot to every Unit Owner entitled to vote on the matter. The written ballot shall set forth each proposed action and shall provide an opportunity to vote for or against each proposed action. Approval by written ballot shall be valid only when the number of votes cast by ballot equals or exceeds the quorum required to be present at a meeting authorizing the action, and the number of approvals equals or exceeds the number of votes that would be required to approve the matter at a meeting at which the total number of votes cast was the same as the number of votes cast by ballot. All solicitations for votes by written ballot shall:

- A. Indicate the number of responses needed to meet the quorum requirements;
- B. State the percentage of approvals necessary to approve each matter other than election of Directors; and
- C. Specify the time by which the ballot must be received by the Association in order to be counted.

ARTICLE II

BOARD OF DIRECTORS

Section 2.1 Number, Election and Term of Office. The Board of Directors of the Association (sometimes referred to herein as the "Board") shall consist of five (5) persons (hereinafter referred to as "Directors"). Directors shall be elected at the annual meeting of the Association's Unit Owners by the vote of Unit Owners as hereinafter provided, except that the Developer shall appoint or remove the Directors and may limit the Board to one Director, which may be the Developer, until the earlier of: (1) seven (7) years after the first Unit is sold; (2) one hundred twenty (120) days after the date upon which seventy-five percent (75%) of the Units have been conveyed by Developer to Owners other than an affiliate of Developer, or (3) the surrender in writing by Developer of the authority to appoint and remove officers and directors of the Association. In addition, not later than one hundred twenty (120) days after conveyance of twenty five percent (25%) of the Units to Unit Owners other than Developer, at least one member of the Board of Directors shall be elected by Unit Owners other than Developer. At the first meeting after the termination of Developer's control, the Unit Owners shall, among other business, elect five (5) members of the first Board of Directors ("First Board"). Developer shall have the right to propose a slate of candidates for the First Board. Those candidates for election as Director receiving the greatest number of votes cast either in person, or by proxy, at the meeting shall be elected. Directors, except for members of the First Board, shall hold office for the term of two (2) years and until his or her successor shall be elected and qualified. Two (2) members of the First Board shall hold office until the second annual meeting of the Association's Unit Owners, two (2) members of the First Board shall hold office until the second annual meeting of the Association's Unit Owners, two (2) members of the First Board shall hold office until the second annual meeting of the Association's Unit Owners, and one (1) member of the First Board shall hold office until the fourth annual meeting of the Association's Unit Owners.

Section 2.2 Qualification. Except for those persons making up the Board appointed by the Developer, each Director shall be a Unit Owner or the spouse of a Unit Owner (or, if a Unit Owner is a trustee of a trust, a Director may be a beneficiary of such trust, and if a Unit Owner or such a beneficiary is a corporation or partnership, a Director may be an officer, partner or employee of such Unit Owner or beneficiary.) If a Director shall cease to meet such qualifications during his term, such Director shall cease to be a Director and his or her place on the Board shall be deemed vacant.

Section 2.3 Regular Meetings. Except as otherwise provided herein, regular meetings of the Board of Directors may be held without notice at such time and place as the Board of Directors shall determine from time to time, but no less frequently than once a year.

Section 2.4 Special Meetings. Special meetings of the Board of Directors may be called by the President or by any two (2) Directors.

Section 2.5 Notice of Meetings. Except as otherwise provided herein, regular meetings of the Board of Directors may be held without notice of the date, time, place or purpose of the meeting. Except as otherwise provided herein, special meetings of the Board of Directors must be preceded by at least two (2) days' notice to each Director of the date, time and place, but not the purpose, of such special meeting. Notice of any adjourned meeting need not be given if the time and place to which the meeting is adjourned are fixed at the meeting at which the adjournment is taken, and if the period of adjournment does not exceed one (1) month in any one (1) adjournment.

Section 2.6 Waiver of Notice. If a director attends or participates in a meeting, he or she waives any required notice to him or her of the meeting unless the Director at the beginning of the meeting (or promptly upon arrival) objects to holding the meeting or transacting business at the meeting and does not thereafter vote for or assent to action taken at the meeting.

Section 2.7 Quorum and Voting. A quorum of the Board of Directors consists of a majority (but no fewer than two (2), except in the event of a sole Director as appointed by Developer pursuant to Section 1 hereof) of the Directors then in office before a meeting begins. If a quorum is present when a vote is taken, the affirmative vote of a majority of the Directors present is the act of the Board of Directors, except as otherwise provided in these Bylaws.

Section 2.8 Vacancy. If a vacancy occurs on the Board of Directors, including a vacancy resulting from an increase in the number of Directors or a vacancy resulting from a removal of a Director with or without cause:

- A. The Board of Directors may fill the vacancy;
- B. If the Directors remaining in office constitute fewer than a quorum of the Board, they may fill the vacancy by the affirmative vote of a majority of all Directors remaining in office; or
- C. If the Board of Directors (or the remaining Directors, if less than a quorum exists) fail or fails to fill the vacancy, the Unit Owners may fill the vacancy.

Any Director elected to fill a vacancy shall hold office for a term equal to the unexpired term of the Director succeeded. Notwithstanding the other provisions of this Section, in the event the deed of trust beneficiary holding the largest number of deeds of trust on Units chooses not to appoint a Director, it shall be the Board which shall by majority vote of the remaining Directors fill such vacancy, but only for a term of one (1) year at a time.

Section 2.9 Removal of Directors. After the expiration of the Developer Control Period, the Unit Owners may remove any one (1) or more Directors, with or without cause, at any special meeting that is specifically called for that purpose.

Section 2.10 Action Without Meeting. Action that is required or permitted to be taken at a meeting of the Board of Directors may be taken without such a meeting if all Directors consent to taking such action without a meeting. If all Directors so consent, the affirmative vote of the number of Directors that would be necessary to authorize or take such action at a meeting shall be the act of the Board, except as otherwise provided in these Bylaws. Such consent(s) shall describe the action taken, be in writing, be signed by each Director entitled to vote, indicate each signing Director's vote or abstention on the action, and be delivered to the Secretary of the Association and included in the minutes filed with the Association's records.

Section 2.11 Indemnification. With respect to claims or liabilities arising out of service as a Director of the Association, the Association shall indemnify and advance expenses to each present and future Director (and his or her estate, heirs, and personal representatives) to the fullest extent allowed by the laws of the State of Tennessee, both as now in effect and as hereafter adopted or amended.

Section 2.12 Immunity. To the fullest extent allowed by the laws of the State of Tennessee, both as now in effect and as hereafter adopted or amended, each present and future Director (and his or her estate, heirs, and personal representatives) shall be immune from suit arising from the conduct of the affairs of the Association.

- D. To formulate policies for the administration, management and operation of the Property and the Common Elements thereof, which power may be delegated to the Managing Agent;

- F. To provide for the maintenance, repair, and replacement of the Common Elements and payments therefor, and to approve payment vouchers or to delegate such approval to the officers or the Managing Agent;
- G. To provide for the designation, hiring and removal of employees and other personnel, including accountants and attorneys, and to engage or contract for the services of others, and to make purchases for the maintenance, repair, replacement, administration, management and operation of the Property and the Common Elements, and to delegate any such powers to the Managing Agent;
- H. To appoint committees of the Board and to delegate to such committees the Board's authority to carry out certain duties of the Board;
- I. To determine the fiscal year of the Association and to change said fiscal year from time to time as the Board deems advisable, but only as allowed by law;
- J. To estimate the amount of the annual budget, and to provide the manner of assessing and collecting from the Unit Owners their respective shares of such estimated expenses, as hereinafter provided;
- K. Unless otherwise provided herein or in the Declaration, to comply with the instructions of a majority of the Unit Owners, as expressed in a resolution duly adopted at any annual meeting or special meeting of the Unit Owners;

Section 2.15 Non-Delegation. Nothing in this Article or elsewhere in these Bylaws shall be considered to grant to the Board, the Association or to the officers of the Association any powers or duties which, by law, have been delegated to the Unit Owners.

ARTICLE III

OFFICERS

Section 3.1 Designation. At each regular meeting after the sale of the first Unit, the Directors present at said meeting shall elect the following officers of the Association by a majority vote, provided a quorum exists:

- A. A President, who shall be a Director and who shall preside over the meetings of the Board and of the Unit Owners, and who shall be the chief executive officer of the Association;
- B. A Secretary, who shall keep the minutes of all meetings of the Board and of the Unit Owners, and who shall, in general, perform all the duties incident to the office of Secretary, and who may be a representative of the Managing Agent;
- C. A Treasurer, who shall be responsible for financial records and books of account and the manner in which such records and books are kept and reported; and
- D. Such additional officers as the Board shall see fit to elect.

Section 3.2 Powers. The respective officers shall have the general powers usually vested in such officers; provided that the Board may delegate any specific powers to any other officer or impose such limitations or restriction upon the powers of any officer as the Board may see fit. In addition, either the President or Secretary shall have the authority to prepare, execute, certify and record amendments of the Declaration on behalf of the Association, in accordance with Section 6.2 of the Declaration.

Section 3.3 Term of Office. Each officer shall hold office for the term of one (1) year and until a successor shall have been appointed or elected and qualified.

Section 3.4 Vacancies. Vacancies in any office shall be filled by the Board by a majority vote of the remaining Directors at a special meeting of said Board. Any Director so elected to fill a vacancy shall hold office for a term equal to the unexpired term of the officer succeeded.

Section 3.5 Compensation. The officers shall receive no compensation for their services as officers, unless expressly provided for in a resolution duly adopted by the Unit Owners.

ARTICLE IV

ASSESSMENTS

Section 4.1 Annual Budget. The Board shall cause to be prepared an estimated annual budget for each fiscal year of the Association. Such budget shall take into account the estimated common expenses and cash requirements for the year, including but not limited to salaries, wages, payroll taxes, legal and accounting fees, working capital fund, supplies, materials, parts, services, maintenance, repairs, replacements, landscaping, insurance, fuel, power, and all other common expenses. To the extent that the assessments and other cash income collected from the Unit Owners during the preceding year shall be more or less than the expenditures for such preceding year, the surplus or deficit, as the case may be, shall also be taken into account. The annual budget shall also take into account any estimated net available cash income for the year from the lease, operation or use of the Common Elements. The annual budget shall provide for a reserve for contingencies for the year and a reserve for replacements, in reasonable amounts as determined by the Board.

Section 4.2 Assessments. The estimated annual budget for each fiscal year shall be approved by the Board, and copies thereof shall be furnished by the Board to each Unit Owner, not later than thirty (30) days prior to the beginning of such year. On or before the first day of the first month and of each succeeding month of the year covered by the annual budget, each Unit Owner shall pay, as such Owner's respective monthly assessment for the common expenses, one-twelfth (1/12) of such Owner's proportionate share of the common expenses for such year as shown by the annual budget. Such proportionate share for each Unit Owner shall be in accordance with such Owner's respective ownership interest in the Common Elements as set forth in the Declaration. In the event that the Board shall not approve an estimated annual budget or shall fail to determine new monthly assessments for any year, or shall be delayed in doing so, each Unit Owner shall continue to pay each month the amount of such Owner's respective monthly assessment as last determined. Each Unit Owner shall pay such Owner's monthly assessment on or before the first day of each month to the Managing Agent or as may be otherwise directed by the Board. No Unit Owner shall be relieved of the obligation to pay such Owner's assessment by abandoning or not using such Owner's Unit, the Common Elements, or the Limited Common Elements.

Section 4.3 Partial Year or Month. For the first fiscal year and thereafter until the First Board is elected, the annual budget shall be approved by the Board as appointed by the Developer. If such first fiscal year, or any succeeding fiscal year, shall be less than a full year, then the monthly assessments for each Unit Owner shall be proportionate to the number of months and days in such period covered by such budget. Each Unit Owner shall pay such Owner's assessment for the following month or fraction of a month, which assessment shall be in proportion to the Owner's respective ownership interest in the Common Elements and the number of months and days remaining of the period covered by the current annual budget, and which assessment shall be computed by the Board.

Section 4.4 Annual Report. Within ninety (90) days after the end of each fiscal year covered by an annual budget, or as soon thereafter as shall be practicable, the Board shall cause to be furnished to each Unit Owner, and to any other party required by the Declaration, a statement for such year so ended, showing the receipts and expenditures and such other information as the Board may deem desirable.

Section 4.5 Supplemental Budget. In the event that during the course of any year, it shall appear to the Board that the monthly assessments, determined in accordance with the estimated common expenses and limited common expenses for the remainder of such year will be inadequate, then the board shall prepare and approve a supplemental budget covering the estimated deficiency for the remainder of such year, copies of which supplemental budget shall be furnished to each Unit Owner, and thereupon a supplemental assessment shall be made to each Unit Owner for such Owner's proportionate share of such supplemental budget.

Section 4.6 Expenditures. Except for the Management Agreement described in Section 17.1 of the Declaration hereof and expenditures and contracts specifically authorized by the Declaration and Bylaws, including, without limitation, those included within the annual budget, the Board shall not approve any expenditure in excess of Five Thousand Dollars (\$5,000.00) (as may be adjusted for inflation) unless required for emergency repair, protection or operation of the Common Elements or Limited Common Elements, nor enter any contract for more than three (3) years without the prior approval of a majority of the notes of the Unit Owners present and entitled to vote.

Section 4.7 Lien. It shall be the duty of every Unit Owner to pay such Owner's proportionate share of the Common Expenses as provided in the Declaration, and as assessed in the manner herein provided.

If any Unit Owner shall fail or refuse to make any such payment of the Common Expenses when due, the amount thereof, together with interest thereon at the highest legal rate of interest not to exceed eighteen percent (18%) per annum after said Common Expenses become due and payable, shall constitute a lien, as provided in the Condominium Act, enforceable by the Board, on the interest of such Unit Owner in the Property, provided, however that such lien shall be subordinate to the lien of a recorded deed of trust on the interest of such Unit Owner, except for the amount of the proportionate share of Common Expenses which are due and payable from and after the date on which such deed of trust beneficiary either takes possession of the Unit, accepts a conveyance of any interest therein (other than as security), or files suit to foreclose on its deed of trust.

The Association or its successors and assigns, and the Board or its agents, shall have the right to enforce the lien as provided in the Declaration, and there shall be added to the amount due the costs of any suit maintained to enforce the lien and other fees and expenses, together with legal interest and attorneys' fees. Furthermore, if any Unit Owner shall fail or refuse to pay when due such Owner's proportionate share of the Common Expenses and such Unit Owner withholds possession of such Owner's Unit after demand by the Board or the Association in writing setting forth the amount claimed, the Board or the Association shall have the right to foreclose its lien on such Unit as provided in and in accordance with Section 9.1(G) of the Declaration. The Board or the Association shall have the authority to exercise and enforce any and all rights and remedies as provided for in the Condominium Act, the Declaration or these Bylaws, or as are otherwise available at law or in equity, for the collection of all unpaid assessments.

Section 4.8 Records and Statement of Account. The Board shall cause to be kept detailed and accurate records in a book in chronological order of the receipts and expenditures affecting the Common Elements and Limited Common Elements, specifying and itemizing the common expenses and limited common expenses incurred. Payment vouchers may be approved in such manner as the Board may determine. Said book and the vouchers shall be available for examination by all Unit Owners at convenient hours on working days which shall be set and announced for general knowledge.

Section 4.9 Discharge of Liens. The Board may cause the Association to discharge any mechanic's lien or other encumbrance that in the opinion of the Board may constitute a lien against the Property or the Common Elements, rather than a lien against only a particular Unit ownership. When fewer than all the Unit Owners are responsible for the existence of any such lien, the Unit Owners responsible shall be jointly and severally liable for the amount necessary to discharge the same and for all costs and expenses, including attorneys' fees, incurred by reason of such lien.

Section 4.10 Holding of Funds. All funds collected hereunder shall be held and expended for the purposes designated herein, and (except for such special assessments as may be levied hereunder against less than all the Unit Owners and for such adjustments as may be required to reflect delinquent or prepaid assessments) shall be deemed to be held for the benefit, use and account of all the Unit Owners.

Section 4.11 Association Records. The Association shall keep as permanent records minutes of all meetings of its Unit Owners and Board of Directors, a record of all actions taken by the Unit Owners and the Board of Directors without a meeting and all appropriate accounting records.

Section 4.12 Records at Principal Office. The Association shall keep at all times a copy of the following records at its principal office:

- A. Its Charter or Restated Charter and all amendments thereto;
- B. These Bylaws and all amendments thereto;
- C. The minutes of all meetings of the Board of Directors and the records of all the actions taken by the Board of Directors without a meeting for the past three (3) years;

- D. The minutes of all meetings of Unit Owners and the records of all actions taken by Unit Owners without a meeting for the past three (3) years;
- E. A copy of the current rules and regulations of the Association;
- F. All written communications to Unit Owners generally within the past three (3) years, including the past three (3) years' annual financial statements;
- G. A list of the names and business or home addresses of its current Directors and officers;
- H. The most recent annual report delivered to the Tennessee Secretary of State; and
- I. Its Declaration and all amendments thereto; and
- J. All other records required to comply with Section 66-27-502 and 66-27-503 of the Condominium Act.

Section 4.13 Annual Financial Statements. The Association shall prepare annual financial statements that include a balance sheet as of the end of the fiscal year, an income statement for that year, and such other information necessary to comply with the requirements of the applicable provisions of the Tennessee Nonprofit Corporation Act.

ARTICLE V

USE AND OCCUPANCY RESTRICTIONS

Section 5.1 General. No unlawful, noxious or offensive activities shall be carried on in any Unit or elsewhere on the Property, nor shall anything be done therein or thereon that shall constitute a nuisance or that shall in the judgment of the Board cause unreasonable noise or disturbance to others.

Each Unit Owner shall maintain such Owner's Unit in good condition and in good order and repair, at such Owner's expense, and shall not do or allow anything to be done in such Owner's Unit that may increase the cost or cause the cancellation of insurance on other Units or on the Common Elements. No Unit Owner shall display, hang, store or use any clothing, sheets, blankets, laundry, or other articles outside such Owner's Unit, or which may be visible from the outside of such Owner's Unit (other than draperies, curtains, or shades of a customary nature and appearance, subject to the rules and regulations of the Board) or paint or decorate or adorn the outside of such Owner's Unit, or install outside such Owner's Unit any canopy or awning, or outside radio or television antenna, or Citizens Band radio transmitters, or other equipment, fixtures or items of any kind, including but not limited to satellite dishes or gas and charcoal grills, without the prior written permission of the Board or the written permission of the Managing Agent, acting in accord with the Board's discretion. The foregoing restrictions as to use and occupancy shall not be construed to prohibit a Unit Owner from placing and maintaining outdoor furniture and decorative foliage of a customary nature and appearance on a patio that is a Limited Common Element appurtenant to such Owner's Unit. No Owner of a Unit shall display, hang, store or use any sign outside such Owner's Unit, in a hallway or elsewhere, or that may be visible from the outside of such Owner's Unit without the prior written permission of the Board or the written permission of the Managing Agent, acting in accord with the Board's discretion.

No structure of a temporary character, trailer, motor home, boat, tent, shack, garage, barn, or other out-buildings shall be permitted on the Property at any time, temporarily or permanently, except with the prior written consent of the Board, provided, however, that temporary structures may be erected for use in connection with the repair or rebuilding of the Buildings or any portion thereof.

Section 5.2 Animals. No animals shall be raised, bred, or kept in any Unit, except for dogs, household cats, birds and aquarium fish owned as household pets by a Unit Owner subject to the consent of the Board, provided that said pet is not kept for any commercial purpose, and provided that said pet shall be kept in strict accordance with the administrative rules and regulations relating to household pets from time to time adopted or approved by the Board,

and provided that said pet shall not in the judgment of the Board constitute a nuisance to others. The total of all pets belonging to a Unit Owner shall not exceed two (2), aquarium fish excluded.

All dogs owned by Unit Owners and kept in a Unit shall be on leash while outside the Unit. All such dogs shall be exercised by the Owner at places on the Property that do not interfere with the use and enjoyment of the same by other Owners. An Owner shall be responsible for all damage to Common Elements caused by said Owner's dog.

The Unit Owner shall indemnify the Association and hold it harmless against any loss or liability of any kind or character whatsoever arising from or growing out of having any animals.

Section 5.3 Trash. Trash, garbage, and other waste shall be kept only in sanitary containers, and shall be disposed of in a clean and sanitary manner as prescribed from time to time in rules and regulations of the Board.

Section 5.4 Use by Developer. During the period of sale by the Developer of any Units, the Developer, and the Developer's agents, employees, contractors and subcontractors, and their respective agents and employees, shall be entitled to access, ingress to and egress from said Buildings and Property as may be required for purposes of said sale of Units. While the Developer owns any of the Units and until each Unit sold by it is occupied by the purchasers, the Developer and its employees may use and show one or more of such unsold or unoccupied Units as a model Unit or Units and may use one or more of such unsold or unoccupied Units as a sales office, and may maintain customary signs in connection therewith.

Section 5.5 Storage. Articles of personal property belonging to any Unit Owner, such as baby carriages, bicycles, wagons, toys, furniture, clothing or other articles, shall not be stored or kept in common areas. Storage of boats, trailers, campers, and motor homes on the Property shall not be permitted.

Section 5.6 Wiring. No Unit Owner shall overload the electrical wiring in a Building, or operate any machines, appliances, accessories or equipment in such manner as to cause, in the judgment of the Board, an unreasonable disturbance to others, or connect any machines, appliances, accessories or equipment to the heating or plumbing system, without the prior written consent of the Board or the prior written consent of the Managing Agent, given in accord with the Board's direction.

Section 5.7 Window Treatments. All window treatments shall be of drapery type fashion (including, without limitation, pleated, ripplefold or accordia fold style fabric) with exterior visual colors limited to off white, alabaster, light grey, light tan or darker colors (and in no event stark white). Blinds shall be prohibited in all locations. Except as expressly provided in this Section 5.7, alternate color or style variations must be approved by the Board prior to installation.

ARTICLE VI

CONTRACTUAL POWERS

No contract or other transaction between the Association and one or more of its Directors or between the Association and any corporation, firm or association in which one or more of the Directors of the Association are directors, or are financially interested, is void or voidable because such Director or Directors are present at the meeting of the Board or a committee thereof which authorizes or approves the contract or transaction or because his or their votes are counted, if the circumstances specified in either of the following subparagraphs exists:

- A. The fact of the common directorship or financial interest is disclosed or known to the Board or committee and noted in the minutes and the Board or committee authorizes, approves or ratifies the contract or transaction in good faith by a vote sufficient for the purpose without counting the vote or votes of such Director or Directors; or
- B. The contract or transaction is just and reasonable as to the Association at the time it is authorized or approved.

Common or interested Directors may be counted in determining the presence of a quorum at a meeting of the Board or a committee thereof which authorizes, approves or ratifies a contract or transaction.

ARTICLE VII

AMENDMENTS

These Bylaws may be amended or modified from time to time by action or approval of a majority of the Unit Owners in attendance (in person, by telephone or by proxy) at a meeting where a quorum exists, or by the written consent without a meeting of at least a majority of all Unit Owners, with each Unit Owner casting one (1) vote for each Unit owned, as provided in Article I, Section 7 of these Bylaws. Such amendment(s) shall not be operative until they are recorded in the office of the Register of Deeds for Davidson County, Tennessee. These Bylaws may not be amended by the Board of Directors.

If the first lien deed of trust upon a Unit Owner's Unit has incorporated the terms of these Bylaws and the Declaration in its deed of trust, then said first lien deed of trust may at its option declare a default in its deed of trust by reason of any default by the Unit Owner hereunder, and may proceed to enforce its rights according to the terms of the deed of trust, notwithstanding any enforcement instituted by the Board.
